GENERAL INFORMATION

Bray Institute of Further Education congratulates you on returning to full-time education. If you are returning to education after a break or have just left school you are very welcome. Your education is central to our purpose. The dedicated staff of this Institute has years of experience in Further Education and they will assist you in achieving your potential.

We recognise that your decision to enrol with us is a considerable investment by you in your future. We hope that we can make that investment an enriching experience, which will stand you in good stead for many years to come. Ar aghaidh leis an obair.

Ray Tedders
Principal

Gabriel Allen
Deputy Principal

Louise Fortune
Deputy Principal

Paddy McNulty
Deputy Principal

Introduction

For the past thirty-six years Bray Institute of Further Education has been a centre of excellence in the field of Further Education. The Institute is a constituent Institute of Kildare and Wicklow ETB. At present the Institute has over one thousand full-time students studying at Degree, Diploma and Certificate level and up to a thousand learners on part-time courses.

The Institute has a national profile attracting learners from all over Ireland and abroad. It is located on Novara Avenue, on a six-acre site, only 150 metres from the town centre. The campus is also within walking distance of the Dart Station.

Consistently innovative and flexible in its approach, the Institute has maintained its leading role in Further Education. BIFE has established links with Third Level Colleges in Ireland and abroad enabling our graduates to progress to higher education.

Entry Requirements

Applicants usually have completed and passed the Leaving Certificate (minimum of 5 O6/H7's or combination of O6/H7's) or its equivalent, Leaving Certificate Applied (LCA) or its equivalent, a full QQI Level 4, unless otherwise stated. Extenuating circumstances may be considered. Learners without formal qualifications must be 18 years of age by the 31st December 2020 if they are to be considered for a place on a course. For mature applicants (over 21), experience will be considered in lieu of formal qualifications.

Places on all courses are limited. Applicants will be interviewed. In some cases it may be necessary to bring a portfolio of work to the interview.

Student Responsibility

All students will be treated as adults. We do not contact parents, we deal with the learner directly. The learner is responsible for being in attendance and completing assignments by deadline dates.

2018 Graduating BIFE students at the Druids Glen Resort Hotel

Enrolment Procedure

Step 1:

Applicants must apply online at www.bife.ie.

Step 2:

Applicant will be invited to attend for interview at the Institute. Applicants will be selected on suitability and a first come/first served basis.

You should bring the following to the interview:

- A copy of Leaving Certificate results (if applicable)
- A brief Curriculum Vitae
- A Portfolio of Work (where necessary)
- References (where necessary)

GENERAL INFORMATION

Step 3:

Successful applicants will be offered a place by post, subject to them achieving the basic entry requirements laid out in the prospectus/website and must secure their place by paying an acceptance fee of €50. All fees must be paid by the registration date which is Thursday 27th August 2020. The €50 acceptance fee is non refundable. All other fees will be refunded if the applicant subsequently decides not to take their place before Friday 18th September 2020. Failure to pay the relevant fees may result in a lapse of your offer. All candidates who accept an offer agree to abide by the policies and procedures of the Institute.

Step 4:

All learners must register at the Institute on the designated registration date.

Fees

Courses at Bray Institute of Further Education are funded largely by the European Social Fund. Tuition costs are covered for Irish or EU citizens undertaking PLC courses. There is no application fee, however all learners are required to pay the following:

- **An Acceptance Fee of €50**, to be paid when offered a place on a course.
- **A Resource contribution fee of €365** for learner services*, paid annually.
- **A QQI Exam Fee of €60**. (All learners who hold a medical card, who are a dependent of a medical cardholder or in receipt of VTOS or BTEA are exempt from paying this charge). The remaining courses offered by the Institute are certified by other accrediting bodies namely: BTEC, ITEC, ATI and City & Guilds. Please contact the Institutes reception to find out the costs of these examination fees.
- **A Government Levy of €200** paid annually. Eligible participants on PLC courses of more than one year's duration must pay the contribution for each year of the

course. (Learners who are holders of a medical card or a dependent of a medical cardholder, in receipt of a SUSI grant, VTOS or BTEA allowance are exempt from paying this charge).

There is also a cost of registration with professional bodies for a small number of courses such as Accounting Technicians Ireland (ATI).

**Resource fees are used as a general fund to provide learner resources for PLC courses including library services*

International Applicants

The Institute welcomes applications from International Learners. Non EA applicants (applicants outside the European Area, i.e. outside EU & Iceland, Norway and Switzerland) must comply with Irish immigration requirements. Such applicants will have to secure a visa from the Immigration Section of the Department of Justice.

As all courses are delivered in English, International students will be required to provide a certified qualification of proficiency in English where English is not the applicants first language.

Non-EU students will be required to pay the economic cost of the course as determined by the Department of Education.

International applicants should apply directly to the Institute office for further information.

Graduation Ceremony 2019 at BIFE

GENERAL INFORMATION

Additional Needs/Learning Support

The Institute endeavours to ensure that appropriate facilities and services are available to allow full access and participation for all learners as far as is practical and having regard to the resources available to the Institute. Applicants with special requirements should notify the Institute on their application form and submit appropriate evidence of their needs at interview. This evidence is vital for the approval and provision of services or facilities. If any learner has different learning needs they should advise the course co-ordinator when applying and submit evidence as soon as possible. The guidelines for evidence and procedures are on the BIFE website under "About Us/College Services".

Garda Vetting

Garda vetting is mandatory for the majority of Health and Leisure programmes in the Social, Community & Health and Sports Department.

Maintenance Grant

Learners on full-time approved courses at the Institute are entitled to apply for Maintenance Grants from The Department of Education. The Grant is means tested. Learners should apply to SUSI, the online grant application system, through www.studentfinance.ie. Learners in receipt of the maintenance grant must pay all the usual costs of the course.

Back to Education Initiative & VTOS

The Department of Social Welfare and The Department of Education and Skills administer these two schemes. These schemes offer unemployed adults an opportunity to return to full-time education while retaining their full social welfare entitlements and in some cases to receive extra benefits. To check your eligibility log onto www.studentfinance.ie.

Library

The library is a quiet, comfortable, central and essential

space for study and research. It is open from 9.00am – 6.00pm daily. Learners have access to a wide range of books, journals, magazines, daily papers, etc. Resources include computers with internet access, printing, photocopying and excellent Wifi access. Staff will assist in finding and using the information they need for their studies.

Paddy McNulty (Deputy Principal), Tom Fortune (Councillor), Ray Tedders (Principal), Deirdre Keyes (Chief Executive KWETB), Louise Fortune (Deputy Principal), Gabriel Allen (Deputy Principal), Ken Seery (KWETB FET Director), David O Gorman (KWETB Board Member)

Location

Bray Institute of Further Education is a short walk from Bray DART Station and Bray Main Street. It is also serviced by the following buses: 45A, 84, 145 and 184.

GENERAL INFORMATION

Accommodation

The Institute will provide on request a list of accommodation offered locally to learners. The Institute does not endorse any such accommodation listed or check its suitability, but learners may find it useful. All arrangements are between the provider and the learner.

Jobs Placement Service

The Institute maintains a good relationship with many employers. Local and national employers (from time to time) inform us of job vacancies and these details are passed on to the Department Heads and are posted on the Careers Notice Board.

Work experience is a vital part of most courses in the Institute and learners are given advice on preparing for work experience. In addition learners will receive help in preparing a Curriculum Vitae and interview techniques.

Richard Harkin, our caretaker mulls over new hair-do decisions with the hairdressing department.

Erasmus Plus

Learners from Bray Institute of Further Education may have the opportunity to spend three weeks on a work placement abroad as part of the Erasmus+ programme. Work Experience is an integral part of most courses provided at BIFE. It enables those involved to develop skills in their vocational area and competencies through periods of work-based training.

Work experience placements abroad provide additional opportunities to enhance linguistic capabilities, key skills and cultural awareness. In an increasingly global market place, experience of working overseas can significantly enhance prospects of employment. Learners receive full Erasmus Plus Grant Funding for the work experience placement.

Progression

Bray Institute of Further Education has signed formal Memorandums of Understanding with many Institutes of Technology allowing BIFE learners to progress onto the second and third years of degree programmes in Ireland.

BIFE also has valuable links with a variety of UK Higher Education Institutes. Thames Valley University has strong links with our Social, Community and Health Studies Department. The University of Wales, Swansea & Sunderland Universities also have strong links with our Media & Design Departments and the University of Sterling has a strong link with our Nursing department. Other UK Universities visit our Institute regularly to offer places to our graduates in a variety of Degrees and Diplomas.

Learner Clubs and Societies

Learners are encouraged to establish and join various clubs and societies. We see this as an important part of learning. Learners have full control over the running and management of the society or sport and are supported by BIFE with the resources that may be needed. Each year the societies or sports may change depending on students' interests. Last year the active clubs and societies were:

GENERAL INFORMATION

- Be Active
- Basketball
- DJ Society
- Film Club
- Football (indoor)
- Fitness Training and Circuit Class
- Photography
- High intensity Interval Training (HIIT)
- HITT Fit / Body Tone
- Horror Club
- LGBT+
- MMA Society
- Music Society
- Women's Boxercise
- Rock Climbing
- Theatre Society
- Rugby 7's
- Strength & Conditioning
- Fusal (Indoor Football)
- Gym

Canteen

The canteen is open from 8:30am to 2:30pm daily except during vacation periods. It provides an extensive range of hot and cold meals and snacks throughout the day.

Bus Service from Gorey and Arklow

Learners may book a place on the BIFE bus which operates directly from Riverchapel, Courtown, Gorey, Arklow, Wicklow, Rathnew and the Beehive pub to BIFE daily during the academic year

Students' Union

The Institute encourages learners to participate fully in

the Students' Union. Learners from each course elect representatives to this Union. The Union meets regularly to discuss issues which are related to learners' needs. The Management Team regularly meets with the Union representatives and values its contribution to the Institute. Two members of the Union are nominated to serve on the Board of Management at BIFE.

Guidance Counselling Service

The Institute provides professional Adult Career Guidance and a confidential Counselling service to all learners. The Guidance Counsellors provides advice on career, progression and education options. The Guidance Counsellors are also available to provide counselling with other issues which arise all too often in the stressful world of today.

Website

Details concerning Bray Institute of Further Education can be found on our website www.bife.ie

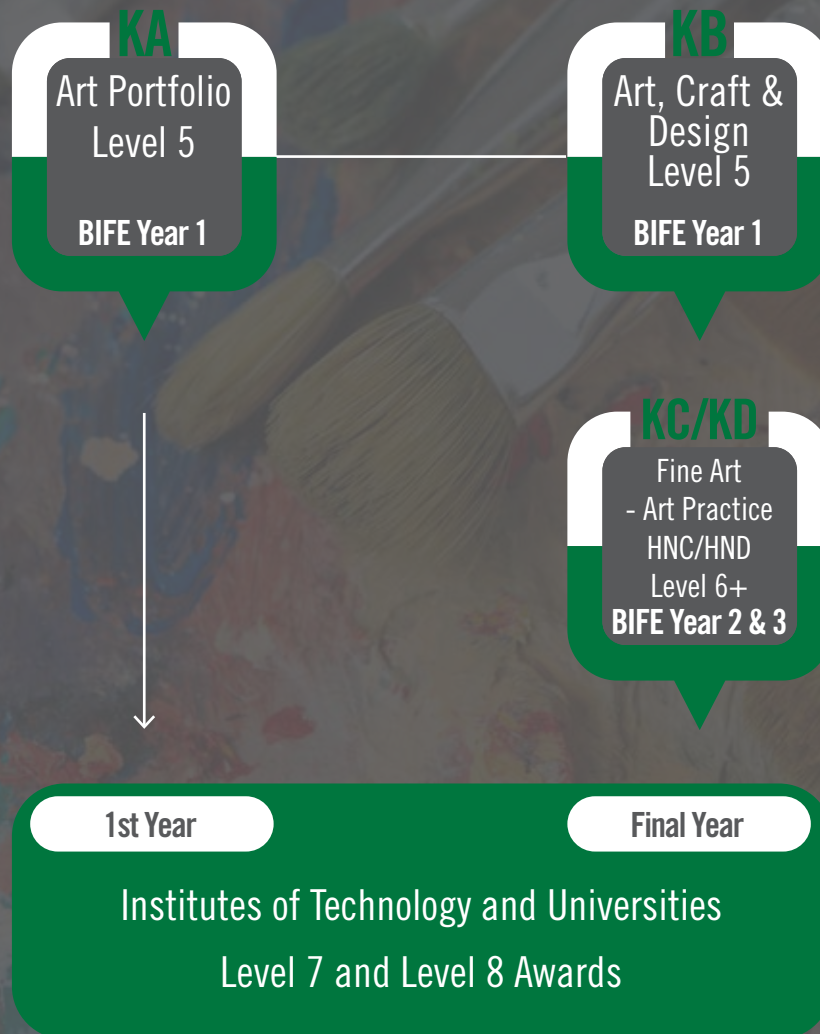

Dr. Patricia Mulcahy (President, IT Carlow), Simon Harris (Minister for Health) and Ray Tedders (Principal of BIFE) at the signing of the formal 'Access to Higher Education' agreement between BIFE and IT Carlow.

Every effort is made to ensure that all information in this prospectus is correct at the time of publication. The Institute does not accept liability for any errors in information published here relating to requirements of other organisations. It is the responsibility of Learners who seek to progress to other higher education courses to consult the individual colleges for definitive information on progression from Further Education.

ART & DESIGN DEPARTMENT

ART PROGRESSION ROUTE

ART PORTFOLIO PREPARATION (KA)

QQI Level 6 Award

This course caters to those applying to third level colleges in order to pursue a career in Art, Craft and Design. It is an intensive year suited to those who are prepared to commit to high work levels in and out of institute hours and short deadlines. The course reinforces an independent work ethic and encourages learners to take initiative. Through a range of problem solving tasks, practical and conceptual approaches to creativity are fostered. Self-motivation and personal commitment are essential. Due to the ambitious nature of the course, the work ethos and range of skills developed will greatly benefit learners in further third level study. The aim of the course is to prepare a portfolio of the highest standard suitable for both Ireland and abroad.

Programme of Study

- Drawing Skills
- Painting
- 3D Studies
- Combined Materials
- Design Skills
- Life Drawing

Components subject to change

Entry Requirements

Leaving Certificate with a minimum of 2 H5's and 4 O6's including subjects required by third level bodies. Extenuating circumstances may be considered.

Places will be offered following successful interview. All applicants should bring a selection of their most recent, relevant work.

Career Opportunities

- Designer (Textile, Fashion, Viscom Designers)
- Fine Art (Painter, Sculptor, Printer)
- Animator
- Model Maker
- Art Director/Educator
- Multimedia
- Production Designer
- Product Designer

Higher Education Progression*

Examples of potential courses include:

- **IADT:**
 - Animation (DL832)
 - Visual Communications (DL826)
 - Model Making, Design & Digital Effects (DL828)
 - Design for Stage & Screen (Product Design) (DI831)
- **NCAD:**
 - First Year Art & Design (Core Year) (AD101)
 - Design or Fine Art & Education (AD202)
 - Product Design (AD212)
- **TU Dublin:**
 - Visual Communication (DT545)
 - Fine Art (DT546)
- **LIT:**
 - Fashion Knitwear & Textiles (LC114)
 - Art & Design (LC110)

Graduates may also transfer to leading third level Art & Design Institutes abroad such as Central St. Martins, Kingston, Goldsmiths and Chelsea etc.

Certification:

QQI Level 6 Component Award in Art (6M4029)

Head of Department:

Karen Ryan

Course Co-ordinator:

Annette Vella

Duration:

One Year

PROFILE: Fiona O'Neill

I wanted to study fashion design so I attended the portfolio course in BIFE. At the end of the course I received an offer from one of the best institutions for fashion design in London, Central St. Martins. Last year I graduated after my collection was selected for the BA Fashion Press show at CSM. I was awarded a L'Oreal Fashion prize at the show, which was announced and covered by Vogue and many other fashion publications. Since then I was invited to be part of an exhibition at Dutch Design Week and became a finalist in the 2015 H&M Design Awards. Undoubtedly, if I had not taken a place on this portfolio course and received Annette's excellent mentoring, I would not be where I am today!

*Places are not guaranteed in these Institutes and are subject to students meeting certain criteria. Please consult the individual college websites for more information on application. Information available also at www.cao.ie

ART, CRAFT & DESIGN (KB)

QQI Level 5 Award

Certification:

QQI Level 5 Award in Art, Craft & Design (5M1984)

Head of Department:

Karen Ryan

Course Co-ordinator:

Karen Ryan

Duration:

One Year

PROFILE: Eabha Cleary

I found this course having looked for a way to progress not having completed my Leaving Cert. It was the best decision I could have made, I learned so much from this course and had great experiences that really built my skills and helped my confidence as a person and an artist.

This course was great for me as I got the chance to try out art practices that I never had before such as print, ceramics and painting. Painting and print are my favourite things to do now, so I am thankful I got to learn with great tutors.

I am now in the Portfolio Preparation course in the college and will hopefully be progressing to a third level college next year.

This is a unique art course as it caters for those who are interested in art, craft and design. The college has extensively equipped specialist art and craft practice rooms: a ceramics workshop where a wide range of 3D ceramic skills and techniques can be explored and developed; a print studio which allows students to engage with a wide range of printing techniques; and an art studio where 2D work such as drawing, painting and design skills are practiced. By the end of the year students will have a collection of work compiled through a series of projects crossing over art, craft and design. Each student participates in the annual graduate exhibition. On completion of this course students can continue further in BIFE to the Higher National Diploma in Art Practice, or apply to other third level institutions.

Programme of Study

- Drawing
- Ceramics
- Combined Materials
- Painting
- Appreciation of Art, Craft & Design
- Design Skills
- Communications
- Work Experience
- Printmaking

Components subject to change

Entry Requirements

One of the following:

- Leaving Certificate (minimum of five 06/H7's or combination of five 06/H7's) or its equivalent. Extenuating circumstances may be considered
- Leaving Certificate Applied Award
- Full FETAC Level 4 Award
- Full QQI Level 4
- Mature Applicants - experience will be considered in lieu of formal qualifications

Places are offered following successful interview. Applicants must bring a portfolio/ collection of work to the interview.

Career Opportunities

- Fine Art
- Ceramic Design
- Art Education
- Arts Administration
- Art Practice

Higher Education Progression*

Examples of potential courses include:

- **BIFE:**
Art Practice (BTEC Higher National Certificate/Diploma)
Art Portfolio Preparation (KA)
- **TU Dublin:**
Advertising & Marketing Communications (TA023)
- **Letterkenny IT:**
Product Design (LY417)
Animation (LY437)
- **St. Angelas College, Sligo:**
Textiles, Fashion & Design with Business Management (AS053)
- **CIT Crawford College of Art & Design:**
Contemporary Applied Art (CR210)

Graduates may also transfer to leading third level Art & Design Institutes abroad such as Central St. Martins, Kingston, Goldsmiths and Chelsea etc.

*Places are not guaranteed in these Institutes and are subject to students meeting certain criteria. Please consult the individual college websites for more information on application. Information available also at www.cao.ie

ART PRACTICE / FINE ART (KC-YR 1 / KD-YR 2)

BTEC Higher National Certificate/Diploma

The BTEC Art Practice course offers an exciting and challenging programme of study providing students with both essential subject knowledge and skills.

The course consists of a broad range of subjects from drawing techniques to 3D studies in ceramics and mixed media, printmaking, photography and contextual studies.

Students who progress into year two are encouraged to develop a more self-directed approach whilst engaging with tutors. This provides the opportunity to specialise in and explore chosen subjects further.

Programme of Study

HNC- Year One

- Professional Development
- Contextual Studies
- Individual Project
- Techniques and Processes
- Media Practice
- Material Practices
- Printmaking
- Art Craft Product

HND- Year Two

- Professional Practice
- Applied Practice Collaborative Project
- Advanced Art Practice Studies
- Art Direction
- Ceramic Design
- Material Selection and Specification

Components subject to change

Entry Requirements

One of the following:

- QQI Level 5 award in the visual arts field
- Leaving Certificate or equivalent with a number of passes at higher level desirable
Extenuating circumstances may be considered
- Mature applicants - experience will be considered in lieu of formal qualification

Places are offered following successful interview. Applicants must bring a portfolio to the interview.

Career Opportunities

- Fine Art Painting
- Fine Art Sculpture
- Art Education
- Art Administration

Higher Education Progression*

Examples of potential courses include:

- **UK and Northern Ireland Universities:**
Second year of an Honours Degree in Fine Art (Apply through UCAS system)
- **Irish Universities & IT's**
Learners may proceed via advanced entry to Honours Degree courses
- **IADT:**
Art Level 8 (DL827) Year 2

Certification:

BTEC Higher National Certificate in Art & Design (Arts Practice) Level 6+ will be achieved after year 1

BTEC Higher National Diploma in Art & Design (Arts Practice) Level 6+ will be achieved after year 2 (603/0909/X)

Head of Department:

Karen Ryan

Course Co-ordinator:

Karen Ryan

Duration:

Two Years

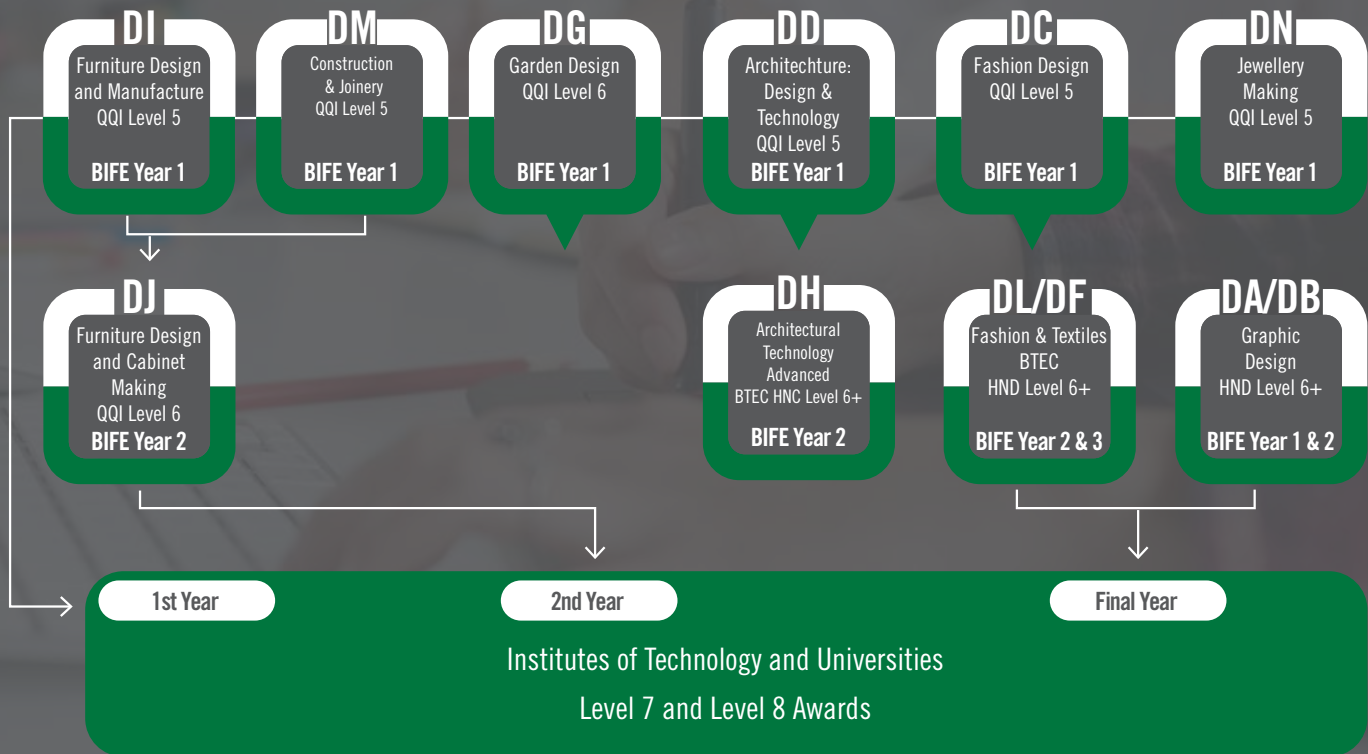

PROFILE:
Carol O'Sullivan

This course offered more than I expected! Through a comprehensive study programme, and continued support and advice from tutors, I have gained a greater knowledge and appreciation of art. New concepts, methods and techniques played an important role in the development of my personal 'fine art' identity that continues in the work I am producing now. I am presently preparing for a solo exhibition, aided by the invaluable lessons I have learnt from this Fine Art course. I highly recommend it!

*Places are not guaranteed in these Institutes and are subject to students meeting certain criteria. Please consult the individual college websites for more information on application. Information available also at www.cao.ie

ART & DESIGN DEPARTMENT

DESIGN PROGRESSION ROUTE

GRAPHIC DESIGN (DA - YR 1 / DB - YR 2)

BTEC Higher National Diploma Award

Learners undertake a two year Higher National Diploma course which qualifies them to work in this industry. This course will enable learners to explore modern graphic design procedures and develop problem-solving skills. All learners have access to the most up to date computer design facilities using industry standard software such as Adobe suite - Photoshop, Illustrator, In Design and Dreamweaver, internet access, a design studio and a well-stocked library of art and design texts. Final year learners will exhibit their work at our end-of-year exhibition in the Institute.

Programme of Study

HNC - Year One

- Professional Development
- Contextual Studies
- Individual Project
- Techniques and Processes
- Typography
- Graphic Design Practices
- Printmaking
- Photographic Practices

HND - Year Two

- Professional Practice
- Applied Practice Collaborative Project
- Advanced Graphic Design Studies
- Web Design
- Branding and Identity
- Digital Animation

Components subject to change

Entry Requirements

One of the following:

- Leaving Certificate or equivalent with some higher papers
- QQI Level 5 award in a related discipline
- Mature Applicants – experience will be considered in lieu of formal qualifications
- Places are offered following a successful interview. Learners should be computer literate. Applicants must bring a portfolio/collection of work to the interview.

Career Opportunities

- Design
- Web and Graphics
- Page Design and Layout
- Interactive Media
- Packaging

Higher Education Progression*

Examples of potential courses include:

- **UK and Northern Ireland Universities:**
Final year of an Honours Degree in Graphic Design (Apply through UCAS system)
- **Irish Universities & ITs:**
Learners may proceed via advanced entry to Honours Degree courses eg:
 - **IADT:**
Visual Communications Design Level 8 (DL826) (Year 3)
 - **TU Dublin:**
Advertising & Marketing Communications (Year 2)
Product Design (DT001) Year 2/3
Visual & Critical Studies (DT533) Year 3
Design – Visual Communications (DT545)
Print & Digital Media Technology Management (DT596) Year 3
Visual Merchandising and Display (DT598) Year 3
 - **Carlow IT (Wexford Campus):**
Visual Communications & Design Level 8 (CW088) Year 2

Certification:

BTEC Higher National Certificate in Art & Design - Graphic Design Level 6+ equivalence on the NFQ achieved after year 1

BTEC Higher National Diploma in Art & Design - Graphic Design Level 6+ equivalence on the NFQ achieved after year 2

(603/0909/X)

Head of Department:

Karen Ryan

Course Co-ordinator:

Emma Deering

Duration:

Two Years

PROFILE: Rodrigo Cunha

My background in school was always technical so deciding to study graphic design in BIFE was a big step but from the initial interview to the graduation I was always shown that I would have the creative freedom to explore the subjects with a personal approach. I thoroughly enjoyed my 2 years at BIFE, students are like a small family in there. The best part of all of this was that the graduation in graphic design opened many doors and even before I graduated I was able to secure a Web Designer position with a Silicon Valley ISP. I feel that I'm still learning every day and that for me is one of the most important aspects of this profession, it never gets boring.

*Places are not guaranteed in these Institutes and are subject to students meeting certain criteria. Please consult the individual college websites for more information on application. Information available also at www.cao.ie

ARCHITECTURE: DESIGN & TECHNOLOGY (DD) QQI Level 5 Award

Certification:

QQI Level 5 Award in Design (5M2208)

Head of Department:

Karen Ryan

Course Co-ordinator:

Bernadette Walsh

Duration:

One Year

PROFILE: Maeve Webster

I decided to do this course as I have always been interested in building design and wanted to learn more about the subject.

Due to my QQI results and portfolio I was accepted into DIT to study Architectural Technology. This is a very challenging course but the skills and knowledge learnt in BIFE have helped enormously.

Been awarded Student of the Year was definitely the highlight of my year!

This course prepares learners for entry to degree courses in Architecture related courses. The Principles of Design and Construction will be explored through design projects, drawing and model making. History of Architecture will also be covered including visits to exhibitions and various buildings. The methods and theory of different building construction techniques and materials will be investigated, including a practical build project. The course will result in a comprehensive selection of portfolios which can be used for entry to various third level courses. This course will also appeal to anyone with an interest in architecture.

Programme of Study

- Design Skills
- Drawing
- Architectural Drawing
- History of Architecture
- Building Construction
- Computer Aided Draughting (AutoCad and SketchUp)
- Communications
- Work Experience

Modules subject to change

Entry Requirements

One of the following:

- Leaving Certificate (minimum of five 06/H7's or combination of five 06/H7's) or its equivalent. Extenuating circumstances may be considered
- Leaving Cert Applied Award
- QQI Level 4 Award
- Mature Applicants - experience will be considered in lieu of formal qualifications

Career Opportunities

- Architecture
- Architectural Technology
- Planning and Environmental Management
- Construction Management

Higher Education Progression*

Examples of potential courses include:

- **BIFE:**
Architectural Technology - QQI Level 6
- **TU Dublin:**
Architecture - DT101 Subject to Interview and Portfolio
Architectural Technology - DT175
Planning and Environmental Management - DT106
Timber Product Technology - DT169
Building Management (Maintenance and Conservation) - DT170
- **Carlow IT:**
BSc Architectural Technology - CW407
BSc Hons Architectural Technology - CW468
BSc in Building Construction and Services Management - CW417
- **Waterford IT:**
BSc Architectural Technology - WD094
BSc in Architectural Technology & Building Information (BIM) - WD195
BSc Hons Architecture - WD144

Past students have successfully gained entry to Architecture in DIT and Architectural Technology in DIT, Waterford IT and Carlow IT. QQ1 Graduates are eligible to apply through the Higher Education Links Scheme for entry to Institutes of Technology and Universities.

ARCHITECTURAL TECHNOLOGY

- ADVANCED (HNC) (DH) BTEC Level 6+ Award

Architectural Technologists work with Architects and Engineers to produce detailed building construction information. This one-year Higher National Certificate will cover construction fundamentals including Design, Materials, CAD, Surveying and Construction Technology. Studio work will be based on realistic construction projects from inception to completion. Using the latest software, the projects will be fully visualised. The learner will be expected to attend study trips to various buildings of interest.

Programme of Study

- Construction Technology
- Science & Materials
- Construction Practice & Management
- Legal & Statutory Responsibilities in Construction
- Drawing, Detailing Specification
- Surveying, Measuring & Setting Out
- Building Information Modelling
- Principles of Alternative Energy

Modules subject to change

Entry Requirements

One of the following:

- Leaving Certificate (minimum of five 06/H7's or combination of five 06/H7's) or its equivalent. Extenuating circumstances may be considered
- QQI Level 5 award in a related discipline
- Mature Applicants - experience will be considered in lieu of formal qualifications
- Places are offered following a successful interview. Learners should be computer literate. Applicants must bring a portfolio/collection of work to the interview.

Career Opportunities

- Construction Management
- Architectural Technology
- Building Conservation & Restoration

Higher Education Progression*

Examples of potential courses include:

- **Carlow IT:**
BSc Architectural Technology (Year 2) - CW407
BSc Hons Architectural Technology (Year 2) - CW468
BSc in Building Construction and Services Management (Year 2) - CW417
- **Waterford IT:**
BSc in Architectural Technology & Building Information (BIM) (Year 2) - WD144
BSc Hons Architecture (Year 2) - WD144
- **TU Dublin:**
Higher Certificate in Mechanical Engineering (Year 2) (TA203)
BEng in Mechanical Engineering (Year 2) (TA203)
BEng in Energy & Environmental Engineering (Year 2) (TA215)

Certification:

BTEC Higher National Certificate in Construction in the Built Environment (Construction) Level 6+ equivalence on the NFQ (603/04650/0)

Head of Department:

Karen Ryan

Course Co-ordinator:

Bernadette Walsh

Duration:

One Year

*Places are not guaranteed in these Institutes and are subject to students meeting certain criteria. Please consult the individual college websites for more information on application. Information available also at www.cao.ie

FASHION DESIGN (DC)

QQI Level 5 Award

Through a wide range of creative modules, from fashion and textiles to drawing, this one-year course will introduce the learner to important aspects of Fashion. Students will also develop technical skills in embroidery, garment construction and pattern drafting. The course is suitable for students wishing to build a visual portfolio to gain entry to higher education and gain a better understanding of the industry.

Certification:

QQI Level 5 Award in Fashion Design (5M3865)

Head of Department:

Karen Ryan

Course Co-ordinator:

Anne Jeffares

Duration:

One Year

PROFILE: Jessica O'Brien

I chose the QQI Level 5 Fashion Design course because I've always had an interest in sewing and creating things. Going into the course I wasn't sure what to expect or even if it was the right fit but I loved it so much that I went on to complete the BTEC HND in Fashion & Textiles. I couldn't have asked for better tutors, not only did they teach effectively, but also they were approachable. I've learned some crucial life & social skills as well as practical fashion skills. I was lucky enough to get a summer job straight out of college teaching children how to sew which was such a great experience because you don't realise how much you've learned until you pass it on to others. As far as future plans go, nothing would make me happier than establishing my own specialty lingerie brand even if I need a day job to support it, I will have my lingerie brand.

Programme of Study

- Drawing
- Design
- Pattern Making
- Fashion Industry and Design Studies
- Appreciation of Art, Craft & Design
- Garment Construction
- Work Experience
- Communications
- Embroidery

Components subject to change

Entry Requirements

One of the following:

- Leaving Certificate (minimum of five 06/H7's or combination of five 06/H7's) or its equivalent. Extenuating circumstances may be considered
- Leaving Certificate Applied Award
- Full QQI Level 4 Award
- Mature Applicants - experience will be considered in lieu of formal qualifications

Places are offered following a successful interview.

Career Opportunities

- Fashion Design
- Fashion Retail
- Costume Design
- Fashion Styling
- Fashion Buying
- Wardrobe Assistant

Higher Education Progression*

Examples of potential courses include:

- **BIFE:**
Fashion & Textiles HND (BTEC Higher National Diploma)
- **TU Dublin:**
Visual Merchandising (DT598)
- **Griffith College:**
Fashion Design (GC494)
- **IADT:**
Costume Design (DL829)
- **St. Angela's College, Sligo:**
Textiles, Fashion and Design with Business Management (AS053)

FASHION DESIGN HND (DL-YR 1 / DF-YR 2)

BTEC Higher National Certificate/Diploma

Learners create a portfolio of work suitable for entry into third level colleges or industry. The course consists of academic and practical workshops in the field of fashion and textiles, providing the opportunity for learners to develop and expand their fashion and textile design skills in addition to developing their confidence and own unique style identity. Students will also exhibit their work at the annual Graduate Show.

Programme of Study

Year One - HNC

- Professional Development
- Contextual Studies
- Individual Project
- Techniques and Processes
- Computer Aided Design
- Fashion and Textile Practices
- Fashion Collection
- Visual Narratives

Year Two - HND

- Professional Practice
- Applied Practice Collaborative Project
- Advanced Fashion Studies
- Material Selection and Specification
- Art Direction
- Trend Forecasting

Components subject to change

Entry Requirements

One of the following:

- Leaving Certificate or equivalent with fashion design experience
Extenuating circumstances may be considered
- Full QQI Level 5 with a merit profile
- Mature Applicants - experience will be considered in lieu of formal qualifications

Places are offered following a successful interview. Applicants must bring a portfolio/ collection of work to the interview.

Career Opportunities

- Fashion Design
- Costume design for Film & Theatre
- Fashion Styling
- Fashion Buying
- Fashion Retail
- Textile Design

Higher Education Progression*

Examples of potential courses include:

- **NCAD**
Fashion and Textiles (AD101)
- **IADT**
Costume (DL829)
- **LIT**
Fashion Knitwear and Textiles (LC111)
- **UK and Northern Ireland Universities:**
Final year of an Honours Degree in Fashion Design (Apply through UCAS system)
- **Irish Universities & IT's:**
Learners may proceed through advanced entry to Honors Degree courses

Certification:

BTEC Higher National Certificate in Art & Design - Fashion Design Level 6+ equivalence on the NFQ achieved after year 1

BTEC Higher National Diploma in Art & Design - Fashion Design Level 6+ equivalence on the NFQ achieved after year 2

(603/0909/X)

Head of Department:

Karen Ryan

Course Co-ordinator:

Anne Jeffares

Duration:

One or Two Years (option of a second year to achieve a higher national diploma)

PROFILE: Linzy O'Sullivan

My Journey with LinzyO began in BIFE where I started to turn my dreams into reality, one day I hoped to become a fashion designer. I learnt an amazing amount of skills along with so much knowledge of the industry to be able to then progress to achieve my fullest potential. Moving to the UK for several years to finish my fashion degree in UCA Rochester which brought me on so much as a creative designer. I was honoured to display my final collection at Graduate Fashion Week.

*Places are not guaranteed in these Institutes and are subject to students meeting certain criteria. Please consult the individual college websites for more information on application. Information available also at www.cao.ie

FURNITURE DESIGN AND MANUFACTURE (DI) QQI Level 5 Award

Certification:

QQI Level 5 Award in Furniture Design
(5M2012)

Head of Department:

Karen Ryan

Course Co-ordinator:

Noel Sweeney

Duration:

One Year

PROFILE: Brian Tyrrell

Business name: Bear Creations

I completed the Furniture Making course in BIFE in 2008. This enabled me to go on to study Furniture Design and Manufacture in GMIT Letterfrack. Following on from this I got a job with a leading Irish furniture maker, Shane Holland in Co. Meath. From there I moved to Thomas Montgomery Furniture Makers in Bray. Having gained invaluable work experience in wood, metals and upholstery, I decided to set up my own business in 2015.

The Furniture Making course in BIFE was a very valuable part of me being able to get to this stage. Not only did it teach me the basics of furniture making, it also allowed me the freedom to experiment and create my designs and enabled me to carry out a project from the design stage to the finished piece.

This course equips learners with the essential skills of furniture design and making. There are practical classes using hand tools and machinery as well as drawing and design modules. Each student has the opportunity to develop skills so they can produce their own unique pieces of furniture. Learners have access to a design studio, a well-equipped woodwork room and workshop. This award provides a link to Furniture Design and Timber Technology programmes in Ireland through the CAO system and leads into a Level 6 Cabinet Making course in BIFE. All learners can gain practical work experience and exhibit their work at the end-of-year Art & Design Exhibition in the Institute.

Programme of Study

- Furniture Making
- Design
- Drawing
- Wood Turning
- Wood Finishing
- Appreciation of Art Craft and Design
- Communications
- Work Experience

Components subject to change

Entry Requirements

One of the following:

- Leaving Certificate (minimum of five 06/H7's or combination of five 06/H7's) or its equivalent. Extenuating circumstances may be considered
- Leaving Certificate Applied Award
- Full QQI Level 4 Award
- Mature Applicants – experience will be considered in lieu of formal qualifications

Places are offered following successful interview.

Career Opportunities

- Cabinet Making/Joinery
- CAD/CAM Engineer
- Machinery Technician
- Carpentry
- Designer
- Spray Technician / Wood Finisher

Higher Education Progression*

Examples of potential courses include:

- **BIFE:**
Furniture Design and Cabinet Making
QQI Level 6
- **TU Dublin:**
Design: Interior and Furniture (DT544)
Timber Product Technology (DT169)
Architectural Technology (DT175)
Architecture (DT101)
Buildings Management (DT170)
Product Design (DT001)
- **Carlow IT:**
Science in Construction Technology -
Higher Certificate (CW416) Year 1
BSc in Building Construction and
Services Management (CW417)
BSc in Quantity Surveying (CW438)
Year 1
BSc (Hons) in Facilities and Energy
Management (CW448) Year 1
- **GMIT:**
BSc in Furniture Design and
Manufacturing (GA970)
BSc in Furniture and Wood Technology
(GA982)
Teacher Education (GA980)

*Places are not guaranteed in these Institutes and are subject to students meeting certain criteria. Please consult the individual college websites for more information on application. Information available also at www.cao.ie

FURNITURE DESIGN & CABINET MAKING ADVANCED (DJ) QQI Level 6 Award

This course facilitates learners through advanced skills of cabinet making using woodworking machinery to manufacture doors, drawers and carcasses, the application of various wood finishes and techniques. An emphasis will be placed on the key link between the design process, 2D/3D Computer Aided Design and the workshop. Learners will have access to a design studio, a well-equipped woodwork room and a comprehensive workshop. This award provides a link to Furniture Design and Technology programmes throughout Ireland.

Programme of Study

- Furniture and Cabinet Making
- Design
- Furniture Restoration
- Wood Finishing
- Appreciation of Art Craft and Design
- Communications
- Work Experience
- Computer Aided Design (CAD)

Components subject to change

Entry Requirements

One of the following:

- Full QQI Level 5 Award
- Mature Applicants – experience will be considered in lieu of formal qualifications

Places are offered following successful interview.

Career Opportunities

- Cabinet Making/Joinery
- Carpentry
- CAD/CAM Engineer
- Designer
- Timber Technology
- Machinery Technician
- Spray Technician/Wood Finisher

Students complete a direct entry application form to the College and places are allocated subject to interview, skills test and results at QQI Level 6.

Higher Education Progression*

Examples of potential courses include:

- **University of Limerick:**
 - Materials and Architectural Technology (LM094)
- **Carlow IT:**
 - Construction Technology - Higher Certificate (CW416) (Year 1)
 - BSc in Building Construction and Services Management (CW417)
 - BSc in Quantity Surveying (CW438) (Year 1)
 - BSc (Hons) in Facilities and Energy Management (CW448) (Year 1)
- **TU Dublin:**
 - Building Services Engineering (DT005) (Year 2)
 - Construction Management (DT117) (Year 2)
 - Timber Product Technology (DT169) (Year 2)
 - Buildings Management (Maintenance & Conservation) (DT170) (Year 2)
 - Architectural Technology (DT175) (Year 2)
- **GMIT LETTERFRACK:**
 - Bachelor of Science in Furniture Design and Manufacturing (GA970)
 - Bachelor of Science in Furniture and Wood Technology (GA971)
 - Bachelor of Science in Furniture and Wood Technology (GA982)
 - Teacher Education (GA980)

Certification:

QQI Level 6 Award in Furniture Design (6M2230)

Head of Department:

Karen Ryan

Course Co-ordinator:

Noel Sweeney

Duration:

One Year

PROFILE: Shane Tubrid

Business name: Shane Tubrid - Furniture by Design

I attended BIFE in 2003, I studied Furniture Design and Cabinet Making, this course gave me an excellent insight into cabinet making as it touched on every aspect of furniture making, including frame, door and drawer making. It also allowed me build a portfolio for entry to GMIT Letterfrack. Since then I have worked for one of Ireland's top furniture makers and in 2009 I established my own business designing and making bespoke furniture.

*Places are not guaranteed in these Institutes and are subject to students meeting certain criteria. Please consult the individual college websites for more information on application. Information available also at www.cao.ie

CONSTRUCTION & JOINERY (DM)

QQI Level 5 Award

A hands-on mainly practical course for those looking to gain an apprenticeship in the construction industry or to learn the necessary skills to carry out building projects with confidence.

The methods and theory of building construction techniques, materials and joinery will be covered in studio work and built projects. BIFE has a fully equipped Workshop room with specialised machinery where all aspects of timber construction will be covered by practical project work. The student will also learn to produce architectural and workshop drawings with technical methods and CAD.

Certification:

QQ1 Level 5 Award in Construction (5M5010)

Head of Department:

Karen Ryan

Course Co-ordinator:

Bernadette Walsh

Duration:

One Year

Programme of Study

- Building Construction
- Wood fabrication
- Architectural Drawing
- Building Construction
- Computer Aided Draughting
- Thermal Insulation Installation
- Communications
- Work Experience

Components subject to change

Entry Requirements

One of the following:

- Leaving Certificate (minimum of five 06/H7's or combination of five 06/H7's) or its equivalent. Extenuating circumstances may be considered
- Leaving Certificate Applied Award
- QQI Level 4 Award
- Mature Applicants - experience will be considered in lieu of formal qualifications

Places are offered following a successful interview.

Career Opportunities

- Architectural Technology
- Planning and Environmental Management
- Construction Management

Higher Education Progression*

Examples of potential courses include:

- **BIFE**
Architectural Technology Level 6
- **TU Dublin:**
Architectural Technology - DT175
Planning and Environmental Management - DT106
Timber Product Technology - DT169
Building Management (Maintenance and Conservation) - DT170
- **Carlow IT:**
BSc Architectural Technology - CW407
BSc Hons Architectural Technology - CW468
BSc in Building Construction and Services Management - CW417
- **Waterford IT:**
BSc Architectural Technology - WD094
BSc in Architectural Technology & Building Information (BIM) - WD195

JEWELLERY MAKING & DESIGN (DN)

QQI Level 5 Award

This is a one year course which introduces students to the basic principles of design through the craft of jewellery making. All modules on the course will link together. Students will use drawing as a source for their designs. These designs will be developed further to suit the materials and techniques applied to create finished pieces.

Programme of Study

- Design Skills
- Drawing
- Art Craft Metalwork
- Materials and Finishes
- Appreciation of Art Craft and Design
- Wood Turning
- Communications
- Work Experience

Components subject to change

Entry Requirements

One of the following:

- Leaving Certificate (minimum of five 06/H7's or combination of five 06/H7's) or its equivalent. Extenuating circumstances may be considered
- Leaving Certificate Applied Award
- QQI Level 4 Award
- Mature Applicants - experience will be considered in lieu of formal qualifications

Places are offered following a successful interview.

Students complete a direct entry application form to the College and places are allocated subject to interview, skills test and results at QQI Level 6.

**Places are not guaranteed in these Institutes and are subject to students meeting certain criteria. Please consult the individual college websites for more information on application. Information available also at www.cao.ie*

Certification:

QQI Level 5 Award in Creative Craft (5M1981)

Head of Department:

Karen Ryan

Course Co-ordinator:

Noel Sweeny

Duration:

One Year

Career Opportunities

- Jewellery making
- Craft industry

Higher Education Progression*

Examples of potential courses include:

- **BIFE**
QQI Graduates are eligible to apply through the Higher Education Links Scheme for entry to Institutes of Technology and Universities.

GARDEN DESIGN (DG)

QQI Level 6 Award

This advanced course in Horticulture/Garden design will give students an opportunity to upgrade their skills with intensive training for another academic year. The learner has the opportunity to hone their skills and focus on subjects and areas needed in the industry.

It will enable learners to spend a further year working full-time on their career structure or open up for them a wide variety of career and educational opportunities.

Certification:

QQI Level 6 Award in Horticulture (6M4334)

Head of Department:

Karen Ryan

Course Co-ordinator:

Anne-Marie Walsh

Duration:

One Year

PROFILE: Jack Ellis

Having studied in BIFE for two years, I have done everything from looking at plant cells, to studying the history of garden design. The staff in BIFE are outstanding in their field at supporting students. From working with trees, to producing bedding plants as part of our work experience, we were all given the opportunity to explore the industry and work in places around the country that really interested me.

Jack Ellis from Wicklow was a finalist and prize-winner in the 2015 Kilsaran Student Garden Design Competition. He has gone on to set up his own garden design business.

Programme of Study

- Landscape Design & Construction
- Nursery Stock Production
- Plant Identification
- Sketch-up
- Sustainable Horticulture
- Entrepreneurship
- Communications
- Supervisory skills

Components subject to change

Entry Requirements

One of the following:

- Full QQI Level 5 Award in Horticulture
- Mature applicants-experience will be considered in lieu of formal qualifications

Places are offered following successful interview. Applicants must bring a portfolio/ collection of work to the interview. Garda vetting may be required prior to work placement.

Career Opportunities

- Landscape Construction
- Garden Maintenance
- Nursery Management
- Horticultural Retail
- Garden Design
- Parks supervision
- Estate management
- Self employment

Higher Education Progression*

Examples of potential courses include:

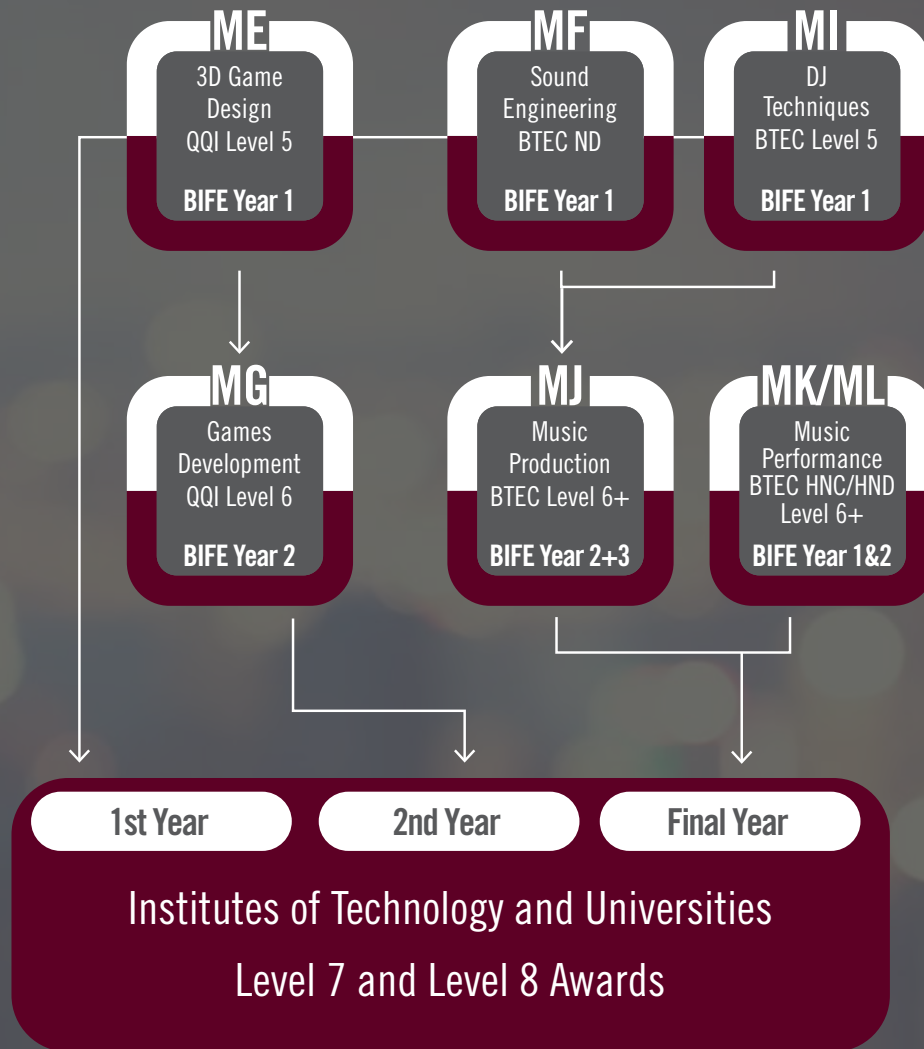

- **College of Amenity Horticulture, National Botanic Gardens, Glasnevin:**
QQI Bachelor of Science in Horticulture (Level 7 in collaboration with Waterford Institute of Technology) WD097
- **TU Dublin:**
Planning and Environmental Management (DT106)
- **UCD:**
BSc in Land Management, Agriculture/ Forestry (DN 120)
Horticulture, Landscape & Sportsturf Management (DN272)
- **Waterford Institute of Technology:**
BSc in Horticulture (BN022)

*Places are not guaranteed in these Institutes and are subject to students meeting certain criteria. Please consult the individual college websites for more information on application. Information available also at www.cao.ie

MUSIC & COMPUTER GAMING

PROGRESSION ROUTE

DJ TECHNIQUES & MUSIC PRODUCTION (MI) BTEC National Certificate Award

This is a course for you if you have a passion for DJ Culture and Music Technology, dance music and club culture. If you are mixing, mastering or stepping a beat - you will fit in. If you are producing, we are happy. If you want to know about this music, if you want to know about this technology, if you want to be able to move people through music - enrol at the Bray Institute of Further Education.

Programme of Study

- DJ Techniques Performance
- Music Production Techniques
- Sequencing Systems & Techniques
- Marketing & Promotion in the Music Industry
- DJ Performance Techniques
- Listening Skills for Music Technologists

Components subject to change

Entry Requirements

One of the following:

- Leaving Certificate (minimum of five 06/H7's or combination of five 06/H7's) or its equivalent. Extenuating circumstances may be considered
- Leaving Certificate Applied
- Full QQI Level 4 Award
- Mature Applicants – experience will be considered in lieu of formal qualifications

Places are offered following successful interview.

Career Opportunities

- DJ Performance
- Radio DJ
- Music Production
- Event Promotion
- Marketing & Sales
- Education & Training

Higher Education Progression*

Examples of potential courses include:

- **BIFE:**
BTEC Higher National Diploma in Music Production Level 6+ equivalence on NFQ

Certification:

BTEC National Certificate in Music Technology (DJ Techniques and Music Production) Level 5 equivalence on NFQ (500/7872/0)

Head of Department:

Ross Lee

Course Co-ordinator:

Doug Cooney

Duration:

One Year

PROFILE: Georgia Murphy

This course has genuinely changed my life and I'm finally doing something I've always wanted to do. Throughout the year I gained the knowledge and experience I needed to set me up to take my place in the music industry here in Ireland. I have successfully set up my own club night, Altered States, which is doing amazingly well, along with my own blog which is also taking off. In the last 2 months I have played in some of the best clubs in Dublin and know that this is only the beginning of my music career. I owe it all to the tutors at BIFE for providing and guiding me with their knowledge to push me to where I am today. I look forward to making my mark on the scene in years to come.

*Places are not guaranteed in these Institutes and are subject to students meeting certain criteria. Please consult the individual college websites for more information on application. Information available also at www.cao.ie

MUSIC PRODUCTION (MJ-YR 1/ MH-YR 2)

BTEC Higher National Diploma Award

Certification:

BTEC Higher National Certificate in Music (Production) Level 6+ will be achieved after year 1

BTEC Higher National Diploma in Music (Production) Level 6+ will be achieved after year 2 (603/2274/3)

Head of Department:

Ross Lee

Course Co-ordinator:

Philip Dobie

Duration:

Two Years

**ABLETON ACCREDITED
CENTRE**

PROFILE: Roger McGuire

I completed a QQI in Sound Production, and wanted to continue my studies the areas of sound engineering & studio recording. The BTEC HND in Music production in BIFE was exactly what I was looking for and more. The tutors are not only experts in an academic way, but they also have 'real world' experience in their individual fields, so you can be assured you are learning from industry experts. Since completing this course, I am far more confident and competent when it comes to live sound engineering.

BIFE's Music Production Course fuses art and science to ensure students become fluent in the language and culture of music technology. An advanced program developed for those who want to hone and refine their skills. We focus on getting you ready to enter the competitive audio industry able to express yourself both technically and artistically. We go in depth into recording techniques used in the studio, live and on location. We explore emerging trends in audio technology, synthesis and sound design to make sure that your technique is fresh, vibrant and state-of-the-art. We encourage you to work towards your own artistic and professional goals with tutors providing constant support, professional coaching and individual guidance. If you want to go deep into the craft enrol at the Bray Institute of Further Education.

Programme of Study

HNC - Year One

- The Music Industry
- Marketing & Promotion for Musicians
- Professional Development
- Applied Sound Principles
- Recording Technology
- Creative Software Techniques
- Creative Synthesis Techniques
- Applied Music Theory

HND - Year Two

- Creative Research Project
- Advanced Music Production
- Advanced Sound Engineering
- Sound for Media Products
- Mixing and Mastering
- Advanced Synthesis and Processing
- Advanced Composition Techniques
- Advanced Composing Using Technology

Components subject to change

Entry Requirements

One of the following:

- Leaving Certificate with some higher papers. Extenuating circumstances may be considered
- Full QQI Level 5 Award with relevant experience
- BTEC National Diploma in Sound Engineering with a merit profile
- BTEC National Diploma in Music Technology (Sound Engineering) with a merit profile

- Mature Applicants – experience will be considered in lieu of formal qualifications

Places are offered following successful interview. For a successful interview, it is recommended that students bring in evidence of prior experience in sound recording/music production.

Career Opportunities

- Studio Engineer
- Location Sound
- Interactive Media
- Post Sound for TV & Film
- Production/Recording Artist
- Live Sound Engineer
- Gaming Audio

Higher Education Progression*

Examples of potential courses include:

- **Queens University Belfast:**
BA in Music and Audio Production (Second Year)
- **Pulse College Dublin:**
BA Hons in Music Production (Final Year)
- **IADT:**
Creative Music Production (Third Year)
- **Manchester Metropolitan University:**
Music and Sound for Media (Second Year)

*Places are not guaranteed in these Institutes and are subject to students meeting certain criteria. Please consult the individual college websites for more information on application. Information available also at www.cao.ie

MUSIC PERFORMANCE (MK-YR 1/ ML-YR 2)

BTEC Higher National Certificate/Diploma

The BTEC in Music Performance is an exciting course which will develop your knowledge, understanding, skills and performance techniques as a musician for successful employment in the music industry or progression to further study. Both theoretical and practical musicianship skills are covered, combined with performance opportunities, event management, music technology and recording. In addition, students will get a broad insight into the music business from lecturers who are experienced musicians and industry practitioners. If you want the foundations for launching your solo career, this is the course for you.

Programme of Study

HNC - Year One

- The Music Industry
- Marketing & Promotion for Musicians
- Professional Development
- Applied Music Theory
- Performance
- Instrumental Technique
- Songwriting
- The Evolution of the Instrument

HND - Year Two

- Creative Research Project
- Musical Direction in Practice
- Advanced Performance Skills
- Live Arrangement Skills
- Advanced Composition Techniques
- Creative Portfolio
- Developing as an Artist
- Advanced Composition Using Technology

Components subject to change

Entry Requirements

One of the following:

- Leaving Certificate (minimum of five O6/H7's or combination of five O6/H7's) or its equivalent with a performing ability on guitar, violin, piano/ keyboard or singing. Ability to read music notation an advantage. Extenuating circumstances may be considered.
- Mature Applicants – experience will be considered in lieu of formal qualifications

Places are offered following successful interview and audition. Students should come prepared to play or sing 2 contrasting pieces with or without accompaniment. Video evidence will also be accepted in addition to the above.

Career Opportunities

- Live Events
- Promotion
- Community Arts
- Music Business
- Music Performance
- Cultural Venue Operations
- Music Therapy

Higher Education Progression*

Examples of potential courses include:

- **BIMM Dublin certified by DIT:**
BA (Hons) in Commercial Modern Music
- **IADT:**
Creative Music Performance – (3rd Year)
- **TU Dublin:**
Bachelor of Music (BMus)
Bachelor of Music Education (BMusEd)
Bachelor of Arts in Creative and Cultural Industries – delivered by the College of Arts & Tourism
- **RIAM - Royal Irish Academy of Music:**
Bachelor in Music Performance
- **Cork School of Music:**
Bachelor of Music (Hons)
Bachelor of Arts (Hons) in Popular Music: Electric Guitar
Bachelor of Arts (Hons) in Popular Music: Keyboards
Bachelor of Arts (Hons) in Popular Music: Voice
- **Dundalk Institute of Technology:**
BA (Hons) in Applied Music
- **Maynooth University:**
Bachelor of Music

Plus numerous colleges in the UK offering degrees in rock, popular music and classical. You could even go to Nottingham Trent University and acquire a degree in Heavy Metal Music Performance

Certification:

BTEC Higher National Certificate in Music (Session Musician) Level 6+ equivalence on the NFQ after year 1

BTEC Higher National Diploma in Music (Session Musician) Level 6+ equivalence on the NFQ after year 2 (603/2274/3)

Head of Department:

Ross Lee

Course Co-ordinator:

Philip Dobie

Duration:

Two Years

PROFILE: Jonathan Barker

I attended first and second year of Music Performance at BIFE and I would recommend it to any musician. Throughout the course, I had a great time meeting other musicians and working together to learn and perform. My time in BIFE was the most fun and beneficial academic years of my life. Even though I had no experience in theory, I was able to pick up on it in no time without stress. Though the music course, I was able to get into Commercial Modern Music (guitar stream) in BIMM Dublin.

*Places are not guaranteed in these Institutes and are subject to students meeting certain criteria. Please consult the individual college websites for more information on application. Information available also at www.cao.ie

3D GAME DESIGN (ME)

QQI Level 5 Award

This course is an introduction to 2D and 3D computer game design and development. This course will examine all aspects of computer game production and development from concept to digital art, 3D Modelling and Sound Design. Successful learners will acquire a comprehensive knowledge of game design and development techniques and theory as well as an extensive portfolio of work including a number of individual games.

Certification:

QQI Level 5 Award in Creative Media (5M5048)

Head of Department:

Ross Lee

Course Co-ordinator:

Ross Lee

Duration:

One Year

Programme of Study

- Music Technology
- Games Analysis & Design
- Drawing
- Computer 3D Modelling & Animation
- 3D Computer Graphics
- Computer Illustrated Graphics
- Communications
- Work Experience

Components subject to change

Career Opportunities

- Game Development Roles
- Indie Game Development
- Digital Media Roles

Higher Education Progression*

Examples of potential courses include:

- **BIFE:**
Games Development Advanced QQI Level 6 (6M20496)
- **TU Dublin:**
BA in Creative Digital Media (TA022)
BA (Hons.) in Creative Digital Media (BN112)
Bachelor of Arts in Creative Digital Media (BN021)
- **Cork IT:**
BA (Hons) in Multimedia (CR112)
- **University College Cork:**
Digital Humanities and Information Technology (CK118)
- **Dublin City University:**
BA (Hons) in Multimedia (DC133)
- **Maynooth University:**
BA (Hons) in Media Technology (MH109MTH)

QQI Graduates are eligible to apply through the Higher Education Links Scheme for entry to Institutes of Technology and Universities.

PROFILE: Joshua Loveridge

The BIFE games course provided me with a comprehensive and invaluable knowledge base moving forward into a professional environment. The technical knowledge and techniques taught on the course are essential for anyone seeking a successful career within the gaming industry. I also would like to add that the tutors on the course are true professionals and are always willing to aid you whenever they can even after completing the course. If you are interested in a successful career in Game design & development then the BIFE games course is for you." Joshua has just released a new game "The one we Found" onto Xbox and PC(Stream). It's a new breed of horror. Check it out at www.theonewefound.com if you are brave enough. He is currently Managing Director of Loveridge Designs and Loveridge Designs & Development.

Entry Requirements

One of the following:

- Leaving Certificate (minimum of five 06/H7's or combination of five 06/H7's) or its equivalent. Extenuating circumstances may be considered
- Leaving Certificate Applied
- Full QQI Level 4 Award
- Mature applicants - experience will be considered in lieu of formal qualifications

Places are offered following successful interview. Learners should have a good working knowledge of computers and some software (e.g. File Management, Internet, Email, MS Office, 3D software experience a bonus).

*Places are not guaranteed in these Institutes and are subject to students meeting certain criteria. Please consult the individual college websites for more information on application. Information available also at www.cao.ie

GAMES DEVELOPMENT (MG)

QQI Level 6 Award

The Games Development course is designed to encourage the development of key games development skills especially in the areas of games software programming, design, graphics and project management. Learners will learn how to use and implement popular game engines like Unity 3D in the creation of their own games software titles while studying core development languages. Additionally, learners will create graphics, animations, sound and look at their implementation possibilities for modern technologies such as the web, mobile devices and gaming consoles. Learners will get hands on experience of exciting new technologies such as motion capture, 3D printing and 3D scanning. Successful learners will have an extensive knowledge of games software development as well as an extensive portfolio of work including individual games.

Programme of Study

- Computer Illustration Graphics
- Interactive Scripting
- Multimedia Sound
- Multimedia Technology
- Project Management
- Web Authoring
- Work Experience
- Communications
- Mathematics for IT
- Multimedia Authoring

Components subject to change

- Indie Game Development
- Software & Web Development
- Digital Media Roles

Higher Education Progression*

Examples of potential courses include:

- **IT Carlow:**
BSc in Computer Games Development (CW208)
- **TU Dublin:**
BA in Games Design (DT508)
BA (Honours) in Creative Digital Media (BN112)
- **IT Dundalk:**
BSc in Computing in Games Development (DK820)
BSc in Computing in Software Development (DK721)
- **IT Limerick:**
BSc in Games Design & Development (LC418)
- **IT Athlone:**
BSc in Software Design with Virtual Reality and Gaming (AL801)
Bachelor of Arts in Creative Digital Media (BN021)
- **NUI Maynooth:**
BA Digital Media (MH110)

Entry Requirements

One of the following:

- Leaving Certificate (minimum of five O6/H7's or combination of five O6/H7's) with at least an O6 in Ordinary Maths or its equivalent. Extenuating circumstances may be considered
- QQI Level 5 award in Creative Media
- Mature applicants – experience will be considered in lieu of formal qualifications

Places are offered following a successful interview. Candidates are encouraged to bring a CV and portfolio of relevant work to the interview.

Career Opportunities

- Game Development Roles - Programmer, Artist, Animator, Designer

*Places are not guaranteed in these Institutes and are subject to students meeting certain criteria. Please consult the individual college websites for more information on application. Information available also at www.cao.ie

Certification:

QQI Level 6 Award in Digital Media Production (6M20496)

Head of Department:

Ross Lee

Course Co-ordinator:

Ross Lee

Duration:

One Year

PROFILE: Marcus Gleeson

I had great fun while I was studying at Bife in the game development course. I have gained greater confidence in myself through the support of the teachers and the class environment. I am currently studying in the 2nd year of the Game Design course at Technological University Dublin. I got into the course through the advanced entry program within the University. Bife helped me get into the course, as when I went for the interview I was able to show them the progression I made in the quality of the games and art I had built from both courses as well as the website from the level 6 course. Bife helped me reach this stage, by giving me a broad range of skills that I would need going on to further education or out in the job market. Some of the skills I learnt, such as Interactive Scripting has allowed me to have a higher level of coding than any of the other students in the course. Computer Illustration Graphics helped me progress my art to a new level allowing me to design intricate games.

SOUND ENGINEERING (MF)

BTEC National Certificate Award

This course is designed for students new to the subject, those coming back into education after a break, or those lucky enough to find they finally have the time to pursue their passion for music. The course is practical with a focus on hands on experience supported by coaching and guidance from industry experts. Key areas include recording, mixing, mastering, editing and processing using state of the art analogue mixing desks and outboard with industry standard digital software (Pro-Tools/Ableton).

Certification:

BTEC National Certificate award in Music Technology (Sound Engineering) (600/6683/0)

Head of Department:

Ross Lee

Course Co-ordinator:

Doug Cooney

Duration:

One Year

PROFILE: Patrick Doyle

RTÉ Post Production Sound

The Sound Recording & Music Technology course definitely helped me to get where I am today. As a Post Production Sound Engineer, I'm now mixing TV programmes and video packages for one of Ireland's main television broadcasters. It's my ideal job. While I had a little background in audio before going to BIFE, what I learned there was invaluable in cementing my knowledge and adding to it - as well as ensuring that I felt confident that I knew my stuff.

Programme of Study

- Live Sound
- Backline Technical Management
- Music Production Techniques
- Marketing & Promotion in the Music Industry
- Listening Skills for Music Technologists
- Acoustics for Musicians

Components subject to change

Entry Requirements

One of the following:

- Leaving Certificate (minimum of five 06/H7's or combination of five 06/H7's) or its equivalent. Extenuating circumstances may be considered
- Full QQI Level 4 Award
- Leaving Cert Applied Award
- Mature applicants - experience will be considered in lieu of formal qualifications

Places offered following successful interview.

Career Opportunities

- Sound Engineering
- Post Sound for TV & Film
- Radio
- Event Production
- Live Sound

Higher Education Progression*

Examples of potential courses include:

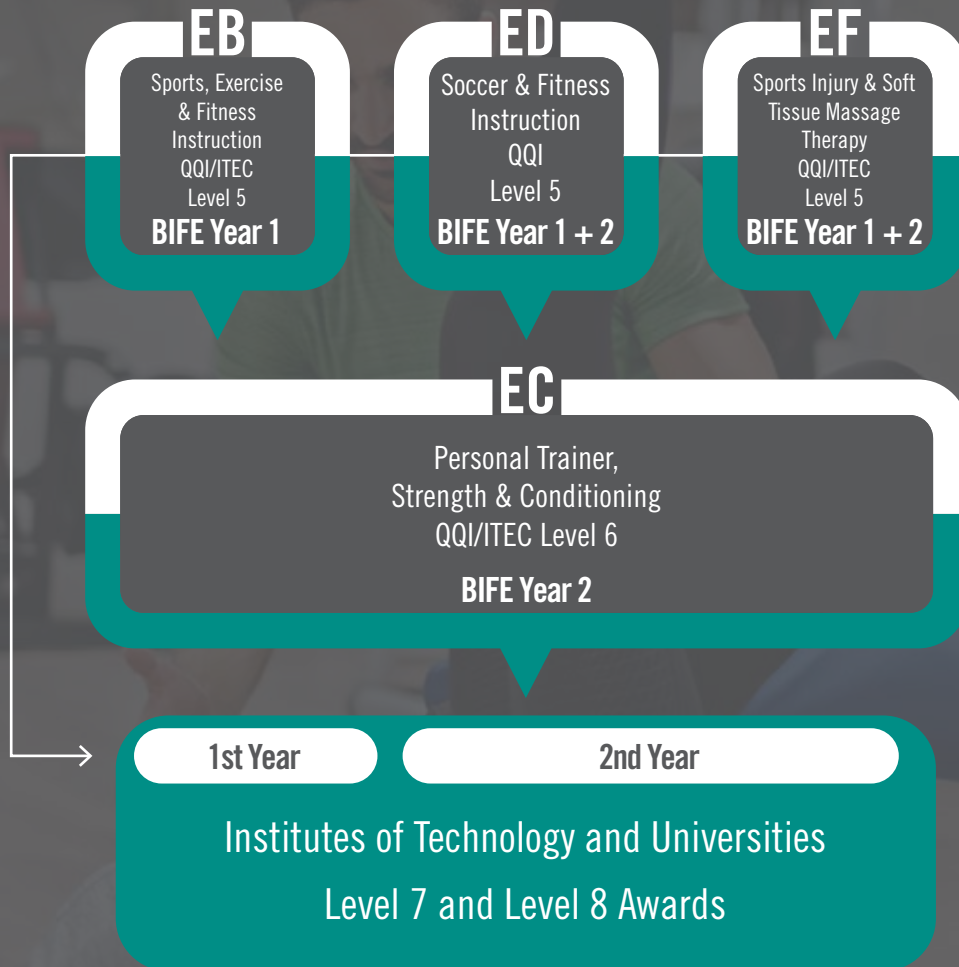

- **BIFE:**
 - Music Production HND Diploma BTEC QQI Level 6+
 - Music Performance HND Diploma BTEC QQI Level 6+
- **Pulse College:**
 - BA (Hons.) Degree in Music Production

Graduates are eligible to apply through the CAO and/or the Higher Education Links Scheme for entry to year one of a range of higher certificate and degree programmes at Institutes of Technology and Universities.

*Places are not guaranteed in these Institutes and are subject to students meeting certain criteria. Please consult the individual college websites for more information on application. Information available also at www.cao.ie

SPORT PROGRESSION ROUTE

SPORTS, EXERCISE & FITNESS INSTRUCTION (EB) QQI Level 5 & ITEC Awards

This course will provide an initial look into the world of Fitness Instruction, Sports management and Sports Education. Learners will be prepared for work in Sports Complexes, Leisure Centres, Health Clubs and Fitness Training through an integrated syllabus involving the theoretical knowledge of physical fitness and exercise, practical participation, administration and management techniques and various coaching skills. Learners will have the opportunity to acquire a range of skills which will prepare them for a career in coaching, fitness instruction and sports related fields. Learners will also be placed in a working environment as well as going on trips to different facilities within the Leisure Industry.

Programme of Study

QQI

- Sport and Recreation Studies
- Exercise and Fitness
- Nutrition
- Leisure Facilities Administration
- Communications
- Work Experience
- Safety and Health at Work
- Kinesiology
- Leisure Facility Operations
- Strength and Conditioning Sessions

ITEC

- Certificate in Fitness instructing (Exercise to Music) 603/4481/7
- Certificate in Fitness instructing (Gym Based Instruction) 603/4483/0

Royal Life Saving Society

- Life Guarding
- Components subject to change*

Entry Requirements

One of the following:

- Leaving Certificate (minimum of five 06/H7's or combination of five 06/H7's) or its equivalent. Extenuating circumstances may be considered
- Leaving Certificate Applied Award
- Full QQI Level 4 Award
- Mature Applicants – experience will be considered in lieu of formal qualifications

Places are offered following successful interview. Garda vetting is necessary prior to work experience placement.

Career Opportunities

- Gym Instructor
- Lifeguard
- Sports Coach
- Aerobic Instruction

Higher Education Progression*

Examples of potential courses include:

- **BIFE:**
Personal Trainer, Strength & Conditioning (EC)
- **Carlow IT:**
Bachelor of Arts in sport & exercise (CW817)
Physiology and health science (CW106)
Sports rehabilitation and athletic therapy (CW188)
Sports science (CW178)
Strength and conditioning (CW198)
- **IT Blanchardstown:**
Sports management and coaching (BN111)
- **Letterkenny:**
Sports coaching & performance (LY228)
- **UCC:**
Sports studies & physical education (CK116)
- **Waterford IT:**
BSc in sports coaching (WD186)
BSc in exercise and fitness (WD125)
Health Sciences Common Entry (WD005)
Exercise Sciences Common Entry (WD006)
BBus in Recreation & Sport Management (WD019)
BBus (H) in Recreation & Sport Management (WD212)

Certification:

QQI Level 5 Award in Sport, Recreation and Exercise (5M5146)

ITEC Certificate in Fitness instructing (Exercise to Music) 603/4481/7

ITEC Certificate in Fitness instructing (Gym Based Instruction) 603/4483/0

Life Guard Certificate (RLSS)

Head of Department:

Ross Lee

Course Co-ordinator:

Charles Batt

Duration:

One Year

PROFILE: Pauk Burton

Anyone with a keen interest in fitness and health and wants to pursue a career in the fitness industry, the sport and gym instruction course at BIFE is a perfect starting point. You will learn how to put together and teach gym programmes, all of the different training methods used in the industry and by elite athletes you also get a lifeguard qualification for anyone with personal interest in these areas. For me the course was great. I've always had a keen interest in fitness, so this course was highly beneficial to me and my career goals. I found all the lecturers friendly, always willing to help with any problems you might have and are easy to approach. I decided to come back for the second year course in "Personal Training, Strength and Conditioning". So far I'm really enjoying the course which goes into even more detail. My long term goal is to become a strength and conditioning coach. So by completing the second year it will give all the qualifications I need to progress in my career.

*Places are not guaranteed in these Institutes and are subject to students meeting certain criteria. Please consult the individual college websites for more information on application. Information available also at www.cao.ie

PERSONAL TRAINER, STRENGTH & CONDITIONING (EC) QQI Level 6 & ITEC Awards

Certification:

QQI level 6 award in Sports, Recreation and Exercise (6M5147)

ITEC Diploma in Personal Training (QAN 603/4495/7) NFQ Level 5

Head of Department:

Ross Lee

Course Co-ordinator:

Emma Jayne Corcoran

Duration:

One Year

PROFILE: Philip Maher

Being a past student of BIFE I have went on to achieve my honours degree in Sport & Exercise Sciences from the University of Limerick (UL). The skills and knowledge I received from the tutors during my time in BIFE had helped tremendously in attaining my degree.

Having relatively small class sizes, great facilities and highly knowledgeable tutors in their field was perfection towards my learning. Undertaking this course will equipped you with the skills and knowledge to succeed in the health and fitness industry and make a difference for your future clients. I cannot speak highly enough about this course and would highly recommend.

This course will provide a more in-depth look at strength and conditioning and exercise education. Physical Education and the Fitness Industry continues to be one of the largest growing industries in Ireland. The course is designed for learners to achieve a higher level of certification for personal training employment or to continue on to higher education at a more advanced level.

Programme of Study

QQI

- Sports Industry Practice
- Customer Service
- Work Experience
- Marketing Communications
- Sports Nutrition
- Sports Psychology
- Exercise and Fitness
- Personal and Professional Development

ITEC Personal Trainer

- ITEC diploma in personal training (Gym Based exercise) 603/4495/7

ITEC Instructing Strength and Conditioning Sessions

- Strength and Conditioning practice and support sessions with experts in a local Fitness Centre

Components subject to change

Entry Requirements

One of the following:

- Full QQI Level 5 Sports Related Award
- ITEC Gym Instruction Diploma
- Mature Applicants With Industry Experience

Places are offered following successful interview. Garda vetting is necessary prior to work experience placement.

Career Opportunities

- Sports Development Officer
- Personal Trainer
- Sports Centre Management

Higher Education Progression*

Examples of potential courses include:

- **Carlow IT:**
 - BA (Hons) Sports Management and Coaching L8 (CW858)
 - Higher Certificate in Science - Physiology and Health Science L6 (CW106)
 - BSc (Hons) Sports Rehabilitation and Athletic Therapy L8 (CW188)

SOCCER STUDIES (ED)

FAI PDP1, PDP2, PDP3, D & C LICENCES AND QQI LEVEL 5 AWARD

The course is designed to prepare both male and female learners for life as a learner athlete. Existing soccer skills will be improved and applicants will also be introduced to a broad range of general coaching skills. The PDP1 course is designed to assist parents and coaches, to introduce children (aged 6-9 years) to fun soccer games and fundamental movement skills in a well-structured, stimulating and safe environment. The PDP2 course is designed to assist coaches in the development of the player's (aged 9-12 years) soccer specific and fundamental movement's skills in game related functions, progressing into small sided games. The PDP 3 Youth course is designed to assist coaches working within the youth game in acquiring the specific knowledge for the development of players working within the adult game. The course is aimed at providing the coach with knowledge, skills and competence to coach at this level. The FAI National D Licence is designed to assist coaches working within the game in acquiring the specific knowledge skills and competence required at National D Licence Level. The coach will enhance their individual coaching experiences as well as developing an understanding of the Coach Education Licence Pathway. The National 'C' Licence coach will be capable to coach a team during games based on pre-planned objectives to help enhance the development of the team while following their periodisation plan. Learners that reach the required academic and football standard will have the opportunity to travel to the USA to participate in a tournament in Phoenix Arizona to be considered for a soccer scholarship.

Programme of Study

FAI

- PDP 1; PDP 2
- PDP 3 Youth
- National D Licence
- National C Licence (Optional)
- Refereeing Badge (Optional)

QQI

- Sport and Recreation Studies
- Exercise and Fitness
- Communications
- Work Experience
- Sports Anatomy & Physiology
- Nutrition
- Team Leadership
- Business Administration
- Soccer Coaching
- PDP 1; PDP 2
- PDP 3 Youth
- FAI Referees Badge
- First Aid

SOCIAL STUDIES & APPLIED PSYCHOLOGY

PROGRESSION ROUTE

APPLIED PSYCHOLOGY (HL)

QQI Level 5 Award

This one-year course in Applied Psychology aims to give participants an introduction to the core theories and methodologies of psychology. It is a fascinating study that will be of interest to anyone wishing to explore human behaviour or prepare for further study at third-level. In addition, this course lays the foundation for a wide variety of 'people-focused' careers such as social research, care work, environmental psychology, marketing and human resource management.

Programme of Study

- Human Growth & Development
- Psychology
- Addiction Studies
- Behavioural Studies
- Criminology
- Communications
- Work Experience
- Care Support

Components subject to change

Entry Requirements

One of the following:

- Leaving Certificate (minimum of five 06/H7's or combination of five 06/H7's) or its equivalent. Extenuating circumstances may be considered
- Leaving Certificate Applied with a merit profile
- Full FETAC Level 4 award with a merit profile
- Mature Applicants – experience will be considered in lieu of formal qualifications

Places offered following successful interview. Garda vetting necessary prior to work experience. Learners must source their own work experience.

Career Opportunities

- Education
- Industry
- The health professions
- Management
- Advertising & Marketing
- Human Resources
- Research
- Counselling
- Social Services

Higher Education Progression*

Examples of potential courses include:

- **BIFE:**
BTEC HND Applied Health & Social Care Level 6+ (HC)
- **UCD:**
BSc (Hons) Psychology (DN720) (Level 8 NFO)
- **IADT, Dun Laoghaire:**
BSc (Hons) Applied Psychology (DL825) (Level 8 PSI Accredited)
- **Dublin Business School:**
BA (Hons) Business with Psychology (DB562) (Level 8 PSI Accredited)
- **TU Dublin:**
BA Applied Social Studies in Social Care (BN107)

Certification:

QQI Level 5 Award in Community Health Services (5M4468)

Head of Department:

Sandra Kelly

Course Co-ordinator:

Neil Pearson

Duration:

One Year

PROFILE: Elizabeth Ryan

My student learning in BIFE was both enjoyable and challenging. This 8 module course was taught by very professional and approachable tutors. This course was designed with each module interlinking with each other giving the student a great understanding of how applying psychology to everyday life is fascinating, intriguing and valuable.

I am delighted to have completed such a rewarding course in BIFE. I was encouraged with my personal development which gave me the confidence to continue further studies in psychology.

Recently graduated with an Applied Psychology BSc (Hons) from IADT.

*Places are not guaranteed in these Institutes and are subject to students meeting certain criteria. Please consult the individual college websites for more information on application. Information available also at www.cao.ie

EARLY CHILDHOOD CARE AND EDUCATION LEVEL 5 (HD) QQI LEVEL 5 Award

Certification:

QQI Level 5 Award in Early Childhood Care and Education (5M2009)

First Aid (BIFE)

Head of Department:

Sandra Kelly

Course Co-ordinator:

Anne O'Malley

Duration:

One Year

PROFILE: Emer Ryan

I really have enjoyed my time studying in BIFE. My education journey through Early Childhood Care and Education began with the level 5 course. The subjects in level 5 lay the core knowledge that every practitioner needs to know. This course has helped me discover so many different career paths and opportunities that are within the ECCE sector. The dedicated teachers helped me to develop my love and knowledge for the ECCE sector throughout the year. This has brought me to my next step where I am currently studying Supervision in Early Childhood Care & Education Advanced, level 6 in BIFE. I hope to continue my educational journey to study for my degree in the Rathnew campus of Carlow IT.

This course investigates the development, learning and support required during the first 6 years of life. Successful learners are awarded a nationally and internationally recognised certificate in the theory and practice of Early Childhood Care and Education. The learner will gain knowledge, skills and the competence to work under supervision and independently in a range of Early Childhood Care and Education settings. This award provides a link to Early Childhood Care and Education Degree Programmes in Ireland through the CAO system. It can also be a stepping stone into our Level 6 Supervision in Early Childhood Education and Care programme.

Programme of Study

- Child Development
- Child Health and Well-Being
- Early Care and Education Practice
- Early Childhood Education and Play
- Work Experience
- Communications
- Creative Arts for Early Childhood
- Children with Additional Needs

Components subject to change

Entry Requirements

One of the following:

- Leaving Certificate (minimum of five 06/H7's or combination of five 06/H7's) or its equivalent. Extenuating circumstances may be considered
- Leaving Certificate Applied Award
- Full FETAC Level 4 Award
- Mature Applicants - experience will be considered in lieu of formal qualifications

Places are offered following a successful interview. Garda vetting and two references are necessary prior to work experience placement.

Career Opportunities

- ECCE workers in Pre-Schools & Crèches
- Classroom assistants
- Special needs assistants
- Nanny/Au pair

Higher Education Progression*

Examples of potential courses include:

- **BIFE:**
Early Childhood Care & Education (QQI Level 6)
- **TU Dublin:**
Early Childhood Care and Education (DT572)
- **IT Carlow:**
Early Childhood Care and Education (CW748)
- **WIT:**
Early Childhood Studies (WD149)
- **UCC:**
Early Childhood Care and Education (CK111)

*Places are not guaranteed in these Institutes and are subject to students meeting certain criteria. Please consult the individual college websites for more information on application. Information available also at www.cao.ie

SUPERVISION IN EARLY CHILDHOOD CARE AND EDUCATION (HF) QQI Level 6 Award

On the successful completion of this award the learner will have acquired the knowledge, skills and competence to work as an autonomous practitioner. Skills acquired will provide the successful learner with the ability to lead and co-ordinate a team in the provision of Early Childhood Care and Education. Knowledge of how to create an environment which promotes the development of capable active learners in line with national standards will be gained. This award will provide learners with opportunities to transfer and progress to programmes leading to higher education and training awards. QQI Level 6 is an internationally recognised award which allows the learner to work abroad with their qualification.

Programme of Study

- Child Development
- Childhood Social and Legal Studies
- Early Childhood Curriculum
- Equality and Diversity
- Supervision in Early Childhood
- Work Experience
- Personal & Professional Development

Components subject to change

Entry Requirements

One of the following:

- QQI level 5 award in Early Childhood Care and Education (5M2009)
- Other QQI Level 5 awards within the caring professions. It is recommended Child Development / Human Growth and Development components would be part of the level 5 award

Places offered following successful interview. Garda Vetting and 2 references are necessary prior to work experience placement.

Career Opportunities

- Room leader
- Manager
- Supervisor
- Special needs assistant.

Higher Education Progression*

Examples of potential courses include:

- **TU Dublin:**
Early Childhood Care and Education (DT572)
- **IT Carlow:**
Early Childhood Care and Education (CW748)
- **WIT:**
Early Childhood Studies (WD149)
- **UCC:**
Early Childhood Care and Education (CK111)

Certification:

QQI Level 6 Award in Early Childhood Care and Education (6M2007)

Head of Department:

Sandra Kelly

Course Co-ordinator:

Fiona Bradshaw

Duration:

One Year

PROFILE: Meg Burke

In beginning this course, I knew I wanted to work with children but I didn't know in what capacity. The modules offered were so thorough and broad and gave me an insight into how I would like to progress. The required placement in an ECCE setting is hugely beneficial. I am now studying a BA in UL to become a child social worker. I would highly recommend this course for anyone who is interested in working with children and wants to advance in their career or education.

SOCIAL STUDIES & COMMUNITY CARE (HE) QQI LEVEL 5 Award

Certification:

QQI Level 5 Award in Community Care
(5M2786)

First Aid

Head of Department:

Sandra Kelly

Course Co-ordinator:

Keith Fitzsimmons

Duration:

One Year

PROFILE: Ciarán Carroll

I had been out of education for a number of years so it was a challenging environment for me both academically and socially. I received fantastic support at all levels from the college. The Course Director, teachers and staff were all very helpful and accommodating.

The college has a nice atmosphere about it so I never felt out of place.

With the help of all concerned at BIFE I was successful in gaining a place on a Degree programme in Social Studies in Trinity College which I started in September 2015.

This course introduces learners to Social Studies and Social Care work. It provides the academic foundation as well as the practical experience necessary for working in the social services or for those who wish to further their studies. Learners develop an awareness and understanding of the complexity of contemporary social issues. Promoting equality of opportunity, respecting cultural diversity and valuing the individual are some of the issues which are addressed.

Programme of Study

- Social Studies (Sociology)
- Human Growth & Development
- Care Provision & Practice
- Equality & Disability
- Addiction Studies
- Safety & Health at Work
- Communications
- Work Experience

Components subject to change

Entry Requirements

One of the following:

- Leaving Certificate (minimum of five 06/H7's or combination of five 06/H7's) or its equivalent. Extenuating circumstances may be considered
- Leaving Certificate Applied Award with a merit profile
- Full QQI Level 4 Award with a merit profile
- Mature Applicants - experience will be considered in lieu of formal qualifications

Places offered following successful interview. Garda Vetting and 2 references are necessary prior to work experience placement. Learners must source their own work placement.

Career Opportunities

- Working in a range of Social Care settings, day care, residential care, home care.
- Client groups can range from children to older people.
- Working with young people in Youth Clubs or after school projects
- Homeless Services

Higher Education Progression*

Examples of potential courses include:

- **BIFE:**
BTEC Higher National Diploma in Healthcare Practice (Applied Social Studies) Level 6+ (HC)
- **IT Carlow:**
Applied Social Studies in Professional Social Care Level 8 (CW077)
- **Dundalk IT:**
Community Youth Work Level 7 (DK767)
- **UCD:**
TSC Social Science - Two Subject Combination Level 8 (DN700)

*Places are not guaranteed in these Institutes and are subject to students meeting certain criteria. Please consult the individual college websites for more information on application. Information available also at www.cao.ie

APPLIED HEALTH & SOCIAL CARE (HC)

BTEC Higher National Certificate/Diploma

This two-year professional qualification has been developed for people who wish to pursue a career in Health & Social Care. This is achieved through a comprehensive programme of tuition and work-based education. The course is assessed continuously by means of written and practical assignments and oral presentations. Learners must complete 450 work place learning hours over two years. Work placement must be completed in an appropriate Health & Social Care setting.

The purpose of Pearson BTEC Higher Nationals in Healthcare Practice is to develop students as professional, self-reflecting individuals able to meet the demands of employers in the Healthcare & Social Care sector and adapt to a constantly changing world. The qualifications aim to widen access to higher education and enhance the career prospects of those who undertake them.

The course provides students with opportunities to explore contemporary health and Social Care issues facing the sector, and society at large, with particular emphasis on integrated and compassionate care, and person-centred approaches to providing healthcare to individuals across their lifespan.

Programme of Study

Year One (HNC Diploma)

- Law, Policy and Ethical Practice in Health and Social Care
- Demonstrating Professional Principles and Values in Health and Social Care Practice
- Supporting the Individual Journey through Integrated Health and Social Care
- Fundamentals of Evidence-based Practice (Pearson-set Project)
- Effective Reporting and Record-keeping in Health and Social Care Services
- Supporting Individuals with Specific Needs
- Sociological and Psychological Perspectives on Health

Year Two (HND Diploma)

- Innovation and Improvement through Action Research (Pearson-set Project)
- Reflective Approaches in Implementing Person-centred Practice
- Supporting Team and Partnership Working Across Health and Social Care Services
- Supporting Individuals through Significant Life Events
- Care Planning Processes in Healthcare Practice
- Holistic Approaches to Health Promotion
- Developing Effective Helping Relationships

Components subject to change

Entry Requirements

One of the following:

- Leaving Certificate with at least 2 H5's
Extenuating circumstances may be considered
- Full QQI Level 5 award with Merit Profile
- Mature Applicants - Experience will be considered in lieu of formal qualifications

Places offered following successful interview.
Garda vetting necessary prior to work experience.
Learners must source their own work experience.

Career Opportunities

- Working in a range of Social Care settings, day care, residential care, home care.
- Client groups can range from children to older people.
- Homeless Services

Higher Education Progression*

Graduates may apply directly to Institutes of Technology and Universities for advanced entry to higher certificate and degree programmes such as:

- **IT Carlow:**
Applied Social Studies in Professional Social Care Level 8 (CW077)
- **UCD:**
Health & Society Level 8 (DC209)
- **TU Dublin:**
Social Care Level 8 (DT571)

Certification:

BTEC Higher National Diploma in Healthcare Practice (Integrated Health & Social Care) Level 6 + equivalence on the NFQ (603/2294/9)

Head of Department:

Sandra Kelly

Course Co-ordinator:

Keith Fitzsimmons

Duration:

Two years

PROFILE: Mark Turner

Back in 2017, I decided (after many years of debate) to take the risk and follow my dream of pursuing a career in social services or community care. This would mean learning new skills and studying for a professional qualification. After a lot of research, I decided that the two-year F/T Applied Health & Social Care course at the Bray Institute of Further Education ticked all the boxes for me.

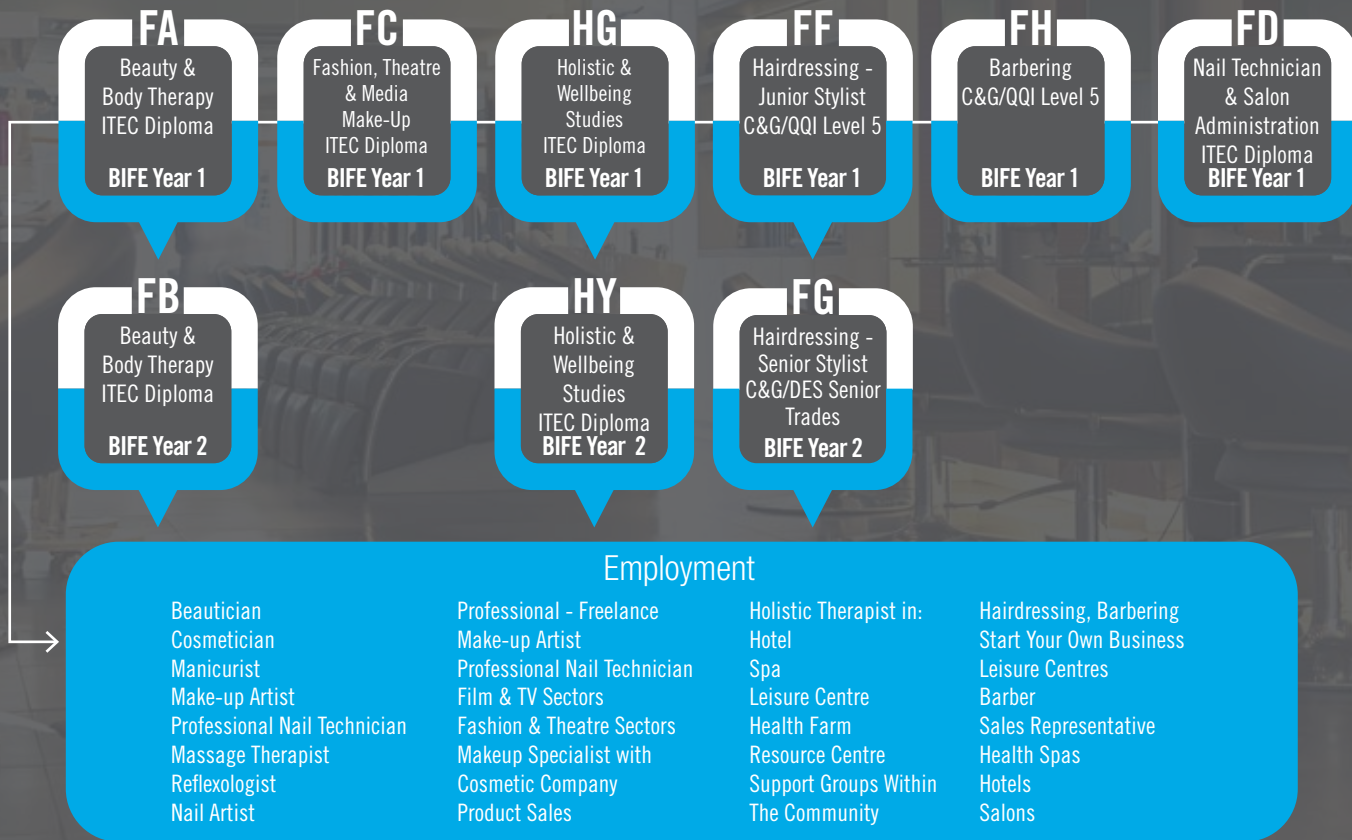

Depending on your learning ability, any course can be daunting and challenging. But I needn't have worried, as my fellow students had the same fears and we all supported each other through the typical life learning experiences. The standard of teaching from all the teachers was to the highest level in both theoretical and practical. This course has provided me with solid foundations and confidence to continue with my education in social care. I was able to progress into year two of the BA (Hons) in Applied Social Studies (Professional Social Care) with IT Carlow, and I started working part-time, as a Project Worker in the Traveller Community.

A big thank you to all my fellow classmates, teachers, and the staff of BIFE for a fabulous two years of learning.

*Places are not guaranteed in these Institutes and are subject to students meeting certain criteria. Please consult the individual college websites for more information on application. Information available also at www.cao.ie

BODY THERAPIES & HOLISTIC HEALTH

PROGRESSION ROUTE

BEAUTY & BODY THERAPY (FA - YR 1 / FB - YR 2) ITEC Diploma Award

Head of Department:

Sandra Kelly

Course Co-ordinator:

Amanda Bell

Duration:

Two Years

PROFILE:
Anna
McGuinness

Since finishing my BIFE Beauty & Body Therapy Course and gaining the much sought after ITEC Diploma, I began working as a Spa Therapist in Druids Glen. I was also awarded Student of the Year 2019, which is a great honor. I'd like to express my gratitude to all the course tutors for making the course enjoyable and understandable. I really enjoyed my first year! The Beauty Therapy Course made me want to progress further with my studies. Currently I am studying Holistic & Well-Being Studies at BIFE and I am thoroughly enjoying this course too.

HAIRDRESSING - JUNIOR STYLIST (FF)

City & Guilds / QQI Award / DES Junior Trades

City & Guilds Diploma in Women & Men's Hairdressing (3002-70), Level 5 equivalence on the NFO

Department of Education and Skills Junior Trade qualification.

QQI Level 5 Minor Award in Hairdressing (5M3351)

Head of Department:

Sandra Kelly

Course Co-ordinator:

Linda Levingstone

Duration:

One Year

PROFILE: Sarah Dunne

I chose junior hairdressing QQI level 5 course at BIFE. It was definitely a great choice, I was a trainee in a small salon and wanted to further my career, I came across this course through word of mouth and the prospectus online. I was delighted to have found a course that had so much variety to give, I cannot express on how up to date the skills are with fantastic facilities for both students and the public. Its training is current with welcoming staff and very talented and friendly lecturers with amazing and helping hairdressing backgrounds. I am now in the second year, senior hairdressing which I am so excited about.

This 1 Year course is designed for students who are serious about a hairdressing and barbering career. Students will study the practical skills of hairdressing and barbering, and the underpinning theoretical knowledge that will enable them to pursue a career in the hairdressing and barbering Industry as a Junior stylist. Training is provided in the Institute's fully equipped hairdressing salon.

Students who successfully complete year one may progress to year 2 Senior Stylist course where they will complete the next level of City & Guilds qualifications and the Department of Education and Skills Senior Trade qualification.

Programme of Study

- Follow health and safety practice in the salon
- Client consultation for hair services
- Shampoo and condition the hair and scalp
- Promote products and services to clients in a salon
- Cut women's hair
- Cut men's hair
- Colour and lighten hair
- Perm and Neutralise Hair
- Create an image based on a theme within the hair and beauty sector
- Work Experience

Components subject to change

QQI Level 5 Minor Award in: Beauty Therapy (5M3471)

Head of Department
Sandra Kelly

Course Co-ordinator
Sandra Kelly

Duration:
One Year

PROFILE:
Honey Higgins

I came from Thailand with a passion to work in the nail tech industry. I decided to do the Nails Technology course at BIFE. It was a lot of the pressure for me as English is my second language, but my tutors were very helpful. I learned great new nail techniques and exciting skills, including waxing. I am delighted to receive student of the year award. I couldn't have achieved this without the help from my tutors. Straight away after I finished the course, I got a job in a busy salon in Wicklow, but now I am working in 5th Avenue, Cork. I would highly recommend this qualification as it gave me more confidence and much better opportunities.

FASHION THEATRE AND MEDIA MAKE-UP (FC) ITEC Diploma Award

Certification:

ITEC Diplomas in:

- Fashion, Theatre & Media Make-up Level 5 equivalence on the NFQ(100/2573/X)

QQI Level 5 Minor Award in:

Beauty Therapy (5M3471)

Head of Department:

Sandra Kelly

Course Co-ordinator:

Sandra Kelly

Duration:

One Year

PROFILE: Hope Moloney

My Name is Hope Moloney and I studied Fashion, Theatre & Media Makeup in 2018-2019. I have always dreamed of becoming a Makeup Artist and I have loved every minute of my time in BIFE. The support and encouragement I received from my Tutors was truly amazing. Although the course was hard work and required a lot of time and effort it was such a fun year and definitely worth it. I would do it all again in a heartbeat. Not only did my Tutors push me out of my comfort zone and help me become a better Makeup Artist they gave me so much confidence and always pushed me to do my best. Since finishing my course in BIFE, I have continued to try and get myself out there and practice what I love. I have been invited to some amazing events hosted by big brands such as NIVEA and have had the chance to meet with some of the top Makeup Artists in Ireland. I've also hosted my own event which was sponsored by some big brands such as Bperfect, Essence and Nima brushes. None this of would have been possible without the genuine compassion and support from my amazing Tutors at BIFE.

This course has been tailored for those with a passion for all things make-up and a career in the world of make-up artistry. Make-up artists may pursue a career in Fashion, Theatre, T.V & Film, Bridal & Cosmetic Retailing. This course is awarded by ITEC and is an internationally recognised qualification which is a 'must have' to pursue this exciting and creative path at home or abroad. The course covers SPF and also includes up to date requirements like body art and individual eyelash application to ensure you are ready to get straight into the working environment.

Programme of Study

- Diploma in Fashion Theatre & Media Make-Up incorporating:
 - Special Effects – wounds, burns, cuts etc.
 - Theatre/Character Make-up
 - High Fashion Make-up
 - Make-up for TV & Film
 - Bridal and Special Occasion Make-up
 - Professionalism & Business Awareness
- Certificate in Facial Skincare
- Retail Sales
- Work Experience
- Word Processing
- A selection of workshops in the following may be offered:
 - Eye Lash Extensions
 - Eye Brow Design
 - Body Art
 - Prosthetic application
 - Portfolio Preparation
 - Social Media/Digital Photography

Components subject to change

Demonstrations by guest make up professionals

Head of Department:

Sandra Kelly

Course Co-ordinator:

Sandra Kelly

Duration:

Two Years

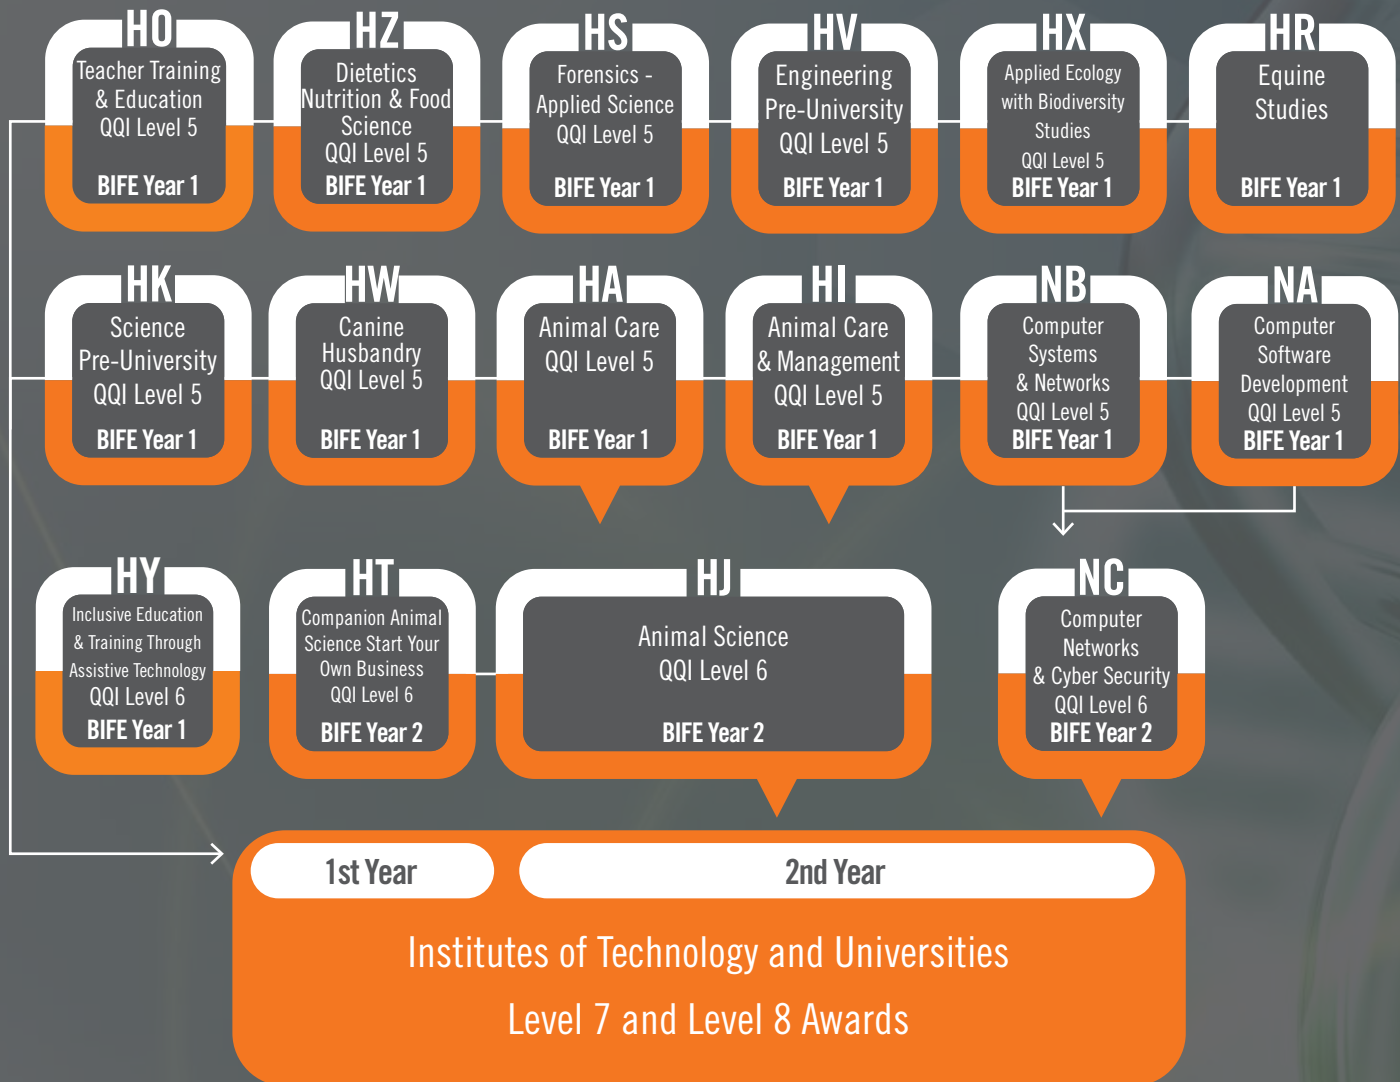

PROFILE:
**Shannon
Molloy**

I studied at BIFE for two years and graduated in 2018. The main reason I enjoyed holistics is not only because I learned how to care for one's mind, body and spirit but I also learned how to take proper care of myself nutritionally. I couldn't have done this without the dedication and endless help from my excellent teachers, who through the two years went the extra mile to ensure that I got all the help, materials and knowledge I needed to succeed, which I am extremely grateful for. I highly recommend this course and I would do it again in a heartbeat.

SCIENCE, ENGINEERING & COMPUTING

PROGRESSION ROUTE

Veterinary Nursing (LY847)

Certification:

QQI Level 5 Award in Applied Science – Animal Care (5M2768)

Head of Department:

Paul Shortall

Course Co-ordinator:

Evelyn Dixon

Duration:

One Year

PROFILE: Aisling Burke

In 2017 I decided to apply to BIFE to study Animal Care and I never looked back. I finally knew what I wanted to do with my life and the teachers gave me the confidence to achieve my goal of being a veterinary nurse. During the course I got to do work experience in a veterinary clinic for five months, I visited Glenroe farm, Dublin Zoo, a reptile zoo came to BIFE and I completed a Canine First Responder course. This course has a lot of practical work which is the perfect way to learn and helped me immensely. Animal Care gave me the belief I could do veterinary nursing and with the encouragement of my tutors I applied to the CAO. I got my first choice and I am now studying veterinary nursing in Dundalk Institute of Technology where I still use my BIFE notes from Animal Anatomy and Physiology and Biology. I cannot speak highly enough about BIFE and I would recommend the Animal Care Course to anyone. The college is such a lovely place to study, everyone is very helpful, you meet incredible people and the teachers are very helpful and will support you in whatever career you chose to do after. BIFE has some incredible plans in the future that I can't wait to see.

ANIMAL CARE & MANAGEMENT (HI)

QQI Level 5 Award

This one-year course is one of the few courses of its kind in Ireland. It offers a broad range of subjects relating to animal care and husbandry. The learner studies for the QQI Animal Care award and a City & Guilds Certificate in Animal Management. These awards will enable learners to pursue a career in the animal care industry both at home and abroad. Work Experience is an integral part of this course providing practical, hands-on experience which will lead to a range of training and career prospects.

Certification:

QQI Level 5 Award in Applied Science – Animal Care (5M2768).

City & Guilds Certificate Level 5 equivalence on the NFAQ in Animal Management (0074-03)

Head of Department:

Paul Shortall

Course Co-ordinator:

Evelyn Dixon

Duration:

One Year

PROFILE: Aaron Kennedy

This course was perfect for me. It covered a great deal of information including the health and welfare for companion animals to exotic pets (snakes, lizards etc.), which was my specialty. The Animal Care tutors are very friendly and always willing to answer any question you may have. The course also has modules that will help to improve your communication, I.T and research skills. The course will give you many career paths and opportunities after graduation, such as progressing to level 7/8 courses through CAO or Animal Science at a level six in BIFE. I had decided to apply though the CAO and put Science in UCD as my top choice, which is where I'm studying now. I plan on studying zoology as my degree. I absolutely loved the course and would highly recommend it to anyone who wishes to pursue a career path in the animal health industry.

Programme of Study

QQI

- Animal Anatomy & Physiology
- Biology
- Animal Welfare
- Work Experience

Head of Department:

Paul Shortall

Course Co-ordinator:

Hilda Harty

Duration:

One Year

PROFILE: Laura Higgins

I graduated from my second and final year in the college and can truthfully say that as a direct result of the incredible lessons and training I got throughout both the Level 5 Animal Care and Management course and the Level 6 Animal Science Industry Course, that I have been presented with so many incredible opportunities in my sector. I was offered a Veterinary Nursing Degree in Dundalk IT, advanced my skills in Canine Training, Animal Behaviour, First Aid and so much more. After graduating, I was offered a job in a newly established Dog Groomers and Day care that has allowed me to utilize the skills I learned from both courses combined. The training given to me by my tutors has been invaluable and has allowed me to excel in the Animal Industry. Throughout the two years, the tutors were extremely friendly and strove to ensure students success. The courses are set in such a way that all modules are incredibly interesting and easy to follow. I loved my two years at BIFE and would highly recommend studying here for anyone looking to have a career in the care and welfare of animals.

*Places are not guaranteed in these Institutes and are subject to students meeting certain criteria. Please consult the individual college websites for more information on application. Information available also at www.cao.ie

Places are offered following successful interview. Learners are required to source their own work experience.

Career Opportunities

Participants who successfully complete this course will seek positions as tour guides employed directly or on a freelance basis with tour operators and tour guide companies.

Higher Education Progression*

Examples of potential courses include:

- **Athlone IT:**
Higher Certificate in Business in Equine Studies. (AL652)
- **Enniskillen College:**
BSc in Equine Management (UCAS Course Code: D322)
- **NUI Maynooth:**
BBS/BBA Equine Business (MH405)
- **Kildalton:**
Level 6
This course may also be used by students to progress to a variety of Equine courses in UK colleges and universities.

Certification:

QQI Level 5 Award in Horsemanship (5M3371)

Head of Department:

Paul Shortall

Course Co-ordinator:

Aoife McCann

Duration:

One Year

*Places are not guaranteed in these Institutes and are subject to students meeting certain criteria. Please consult the individual college websites for more information on application. Information available also at www.cao.ie

CANINE HUSBANDRY (HW)

QQI Level 5 Award

This one-year course is designed for those who wish to pursue a career working with animals. The course covers a range of subjects which will encourage the learner to develop the knowledge and skills to competently handle a range of animals with an emphasis on dogs. Work experience is an integral part of this course providing practical, hands on experience which will lead to a range of training and career prospects.

Certification:

QQI Level 5 Award in Animal Care (5M2768).

Head of Department:

Paul Shortall

Course Co-ordinator:

Evelyn Dixon

Duration:

One Year

Programme of Study

- Animal Anatomy and Physiology
- Communications
- Work Experience
- Animal Welfare
- Animal Grooming
- Veterinary Assisting Skills
- Animal Behaviour
- Small Animal Husbandry

Components subject to change

Entry Requirements

One of the following:

- Leaving Certificate (minimum of five 06/H7's or combination of five 06/H7's) or its equivalent
- Leaving Certificate Applied Award
- QQI Level 4 Award
- Mature Applicants – experience will be considered in lieu of formal qualifications

Places are offered following successful interview. Learners are required to source their own work experience.

Career Opportunities

- Cattery/Dog Kennels
- Pet Shops
- Animal Sanctuaries
- Dog Grooming
- Education
- Veterinary Clinics
- Self-Employment

Higher Education Progression*

Learners may be eligible to progress to selected higher education courses in Ireland through the Higher Education Links Scheme (HELS)

- **BIFE:**
Animal Science - QQI Level 6 (6M5153)
- **Dundalk IT:**
Veterinary Nursing (DK784)
- **Letterkenny IT:**
Veterinary Nursing (LY847)

*Places are not guaranteed in these Institutes and are subject to students meeting certain criteria. Please consult the individual college websites for more information on application. Information available also at www.cao.ie

DIETETICS, NUTRITION & FOOD SCIENCE (HZ) QQI LEVEL 5 Award

In order to respond to the current needs of the food industry this Food Science and Nutrition course aims to educate students in a comprehensive range of disciplines including scientific, culinary and technological areas, in order to meet with the requirements of nutritional and functional food industries. Students will learn the fundamental knowledge of food science and the importance of food safety and nutrition in bringing a product to market. As a food scientist, you are involved in all aspects of product development. The ultimate goal of this programme is to ensure that students get practical hands on experience of the food industry and gain key transferable skills. This course is ideally suited for students who are interested in preparing for a career and/or further education in agriculture, food or science.

Programme of Study

- Dietetics
- Nutrition
- Food Chemistry
- Food Processing
- Microbiology
- Food Safety and HACCP
- Communications
- Laboratory Skills
- Work Experience
- Mathematics (Learners may also have the opportunity to study Maths (5N1833) as an extra module)

Components subject to change

Entry Requirements

One of the following:

- Leaving Certificate (minimum of five 06/H7's or combination of five 06/H7's) or its equivalent. Extenuating circumstances may be considered
- Leaving Certificate Applied with a distinction profile to include QQI level 4 Biology
- Full QQI Level 4 with a distinction profile and with a science subject
- Mature Applicants - experience will be considered in lieu of formal qualifications

Places are offered following successful interview. Applicants should have good basic literacy and mathematical skills.

Career Opportunities

This practical course will allow graduates to potentially set up their own food business or apply for employment in the agri-food industry for positions in food production and management, quality assurance, food research or food innovation and product development.

Higher Education Progression*

Graduates are eligible to apply through the CAO and/or the Higher Education Links Scheme for entry to year one of a range of higher certificate and degree programmes at Institutes of Technology and Universities such as:

- **TU Dublin:**
 - Higher Diploma in Food Science and Technology (TA SFSTC HD)
 - BSc Level 7 in Bioanalysis (TA311)
 - BSc in Pharmaceutical Sciences (TA 321)
 - Higher Certificate in Food Science and Management (DT424)
 - BSc Level 7 in Food Innovation (DT7421)
 - Higher Certificate Food Sales & Culinary Practice (DT404)

Please note that the courses listed above are only a select few, many other courses can be entered using this FETAC award, please visit www.careersportal.ie for more.

Certification:

QQI Level 5 Award in Food Science (5M5267)

Head of Department:

Paul Shortall

Course Co-ordinator:

Laura Cullen

Duration:

One Year

PROFILE: Kim Healy

I chose the Nutrition and Food Science course in BIFE as I have always loved food science and the nutritional aspects of food. This course has a nice balance between practical and theoretical learning. I found all of the modules interesting, however, I really enjoy the Food Processing module. During the course, I am gaining a lot of hands on experience whilst doing the experiments as well as a keen interest in food processing. I also love learning about the science behind these processes. My tutors are extremely helpful, supportive and approachable if ever I have questions. Overall, I would highly recommend BIFE and this course to anyone who wants to further extend their knowledge of food and the Food Industry. After this course, I hope to study either Human Nutrition or Food Science in UCD. I have also been considering studying Environmental Health in DIT.

*Places are not guaranteed in these Institutes and are subject to students meeting certain criteria. Please consult the individual college websites for more information on application. Information available also at www.cao.ie

SCIENCE – PRE-UNIVERSITY (HK)

QQI Level 5 Award

The purpose of the course is to prepare learners for entry to first year of a degree course in science or a science-related field in a Higher Education Institution. The course is aimed and designed for learners who may not have studied all of the science subjects previously. It has a large emphasis on both theoretical knowledge and practical skills necessary in Biology, Chemistry and Physics. This course has had outstanding results with most graduates progressing to top rated Universities.

Certification:

QQI Level 5 Award in Laboratory Techniques (5M3807)

Head of Department:

Paul Shortall

Course Co-ordinator:

Elaine O'Mahony

Duration:

One Year

PROFILE: Chloe O'Brien

My time in BIFE was an unforgettable experience. The year was filled with amazing tutors, classes and great friends. The Pre-University Science course was extremely well organised and was great fun to participate in. I learnt major key skills in all of the Science disciplines which I have carried on with me to Maynooth University. It was a great year and an amazing college too. The staff are so helpful and the friends I made are lifelong. I thoroughly enjoyed the year in Bray.

Programme of Study

- Anatomy & Physiology
- Biology
- Physics
- Laboratory Skills
- Chemistry
- Mathematics
- Communications
- Work Experience

Components subject to change

Entry Requirements

One of the following:

- Leaving Certificate (minimum of five 06/H7's or combination of five 06/H7's) or its equivalent with at least one science subject and minimum entry requirement Ordinary Level Maths. Extenuating circumstances may be considered
- Leaving Certificate Applied with a Distinction profile to include QQI Level 4 Biology
- Full QQI Level 4 Certificate with a Distinction profile and a science subject
- Mature Applicants – experience will be considered in lieu of formal qualifications

Places are offered following successful interview. Applicants should have good basic literacy skills and mathematical skills.

Career Opportunities

- Pharmaceutical Research
- Laboratory Technicians
- Clinical Trial Monitoring
- Medical Research

Higher Education Progression*

Examples of potential courses include:

- **UCD:**
 - Science (DN250)
 - Forestry (DN271)
 - Dairy Business (DN252)
 - Agricultural Science (DN250)
 - Food Science (DN261)
 - Agri Environmental-Sciences (DN253)
 - Horticulture, Landscape and Sports Turf Management (DN272)
- **TU Dublin:**
 - Science (DT212)
- **DIT:**
 - Science (DT271)
 - Bio-Science (DT259)
 - Food Innovation (DT421)
- **DCU:**
 - Physics with Astronomy (DC167)
 - Applied Physics (DC171)
 - Science Common Entry (DC201)
 - Genetics and Cell Biology (DC168)
 - Chemical and Pharmaceutical Sciences (DC162)
 - Sport Science and Health (DC202)
- **UCC:**
 - Chemical Sciences (CK406)
 - Biological and Chemical Sciences (CK402)
 - Genetics (CK405)
 - Food Science (CK505)
 - Nutritional Science (CK504)

Please note that the courses listed above are only a select few, many other courses can be entered using this QQI award, please visit www.careersportal.ie for more.

*Places are not guaranteed in these Institutes and are subject to students meeting certain criteria. Please consult the individual college websites for more information on application. Information available also at www.cao.ie

FORENSICS - APPLIED SCIENCE (HS)

QQI LEVEL 5 Award

This course will provide participants with a broad knowledge of the core sciences and an understanding of the Irish legal system. Participants will develop useful skills through hands-on laboratory work as well as an appreciation of the concepts particular to forensics. Students will also develop skills in problem solving, organisation, team work, effective communication and the use of technology. These skills are relevant to a wide variety of industries and professions including in An Garda Síochána, the Defence Forces, the State Laboratory and the Forensic Science Laboratory.

Programme of Study

- Anatomy & Physiology
- Criminal Law
- Criminology
- Biology
- Laboratory Skills
- Chemistry
- Mathematics
- Communications
- Work Experience

Components subject to change

Entry Requirements

One of the following:

- Leaving Certificate (minimum of five 06/H7's or combination of five 06/H7's) or its equivalent with at least one science subject and minimum entry requirement Ordinary Level Maths. Extenuating circumstances may be considered
- Leaving Certificate Applied with a Distinction profile to include QQI Level 4 Biology
- Full QQI Level 4 Certificate with a Distinction profile and a science subject
- Mature Applicants – experience will be considered in lieu of formal qualifications

Places are offered following successful interview. Applicants should have good basic literacy skills and mathematical skills.

Career Opportunities

- Pharmaceutical Research
- Laboratory Technician
- Clinical Trial Monitoring
- Medical Research
- Chemical Engineering
- Biomedical Engineering
- Biotechnology

Higher Education Progression*

Examples of potential courses include:

- **UCD:**
Science (DN250)
Forestry (DN271)
Food Science (DN261)
- **TCD:**
Science (TR071)
- **TU Dublin:**
Science (DT271)
Bio-Science (DT259)
Forensic & Environmental Chemistry (DT203)
- **UCC:**
Chemistry with Forensic Science (CK402)
Criminology (CK113)
- **ITT:**
DNA and Forensic Analysis (TA326)

Please note that the courses listed above are only a select few, many other courses can be entered using this QQI award, please visit www.careersportal.ie for more.

Certification:

QQI Level 5 Award in Laboratory Techniques (5M3807)

Head of Department:

Paul Shortall

Course Co-ordinator:

Elaine O'Mahony

Duration:

One Year

PROFILE:
Aura
Naceviciute

I chose this course because I was always interested and fascinated by the science behind forensic science and science in general. The forensic science course in BIFE has provided me with more than enough opportunities in showing me what forensic science is about, the modules within the course are broad ranged and very interesting. I never would have known if I liked criminology and criminal law but thanks to this course my curiosity and love for forensic science keeps growing. All of the teachers are kind and very helpful. The atmosphere around the college is really positive and friendly and everyone is kind to each other. I hope to use my results from this course in BIFE to go on to study Forensic Science in University College Cork.

*Places are not guaranteed in these Institutes and are subject to students meeting certain criteria. Please consult the individual college websites for more information on application. Information available also at www.cao.ie

ENGINEERING PRE-UNIVERSITY (HV)

QQI Level 5 Award (in conjunction with IT Tallaght)

This course provides a foundation for students who wish to pursue further studies in Engineering at Third Level. It is devised for school leavers and also for mature applicants. It will enable graduates to progress to third level courses or to pursue opportunities in apprenticeships or employment.

Certification:

QQI Level 5 Award in Engineering Technology (5M2061)

Head of Department:

Paul Shortall

Course Co-ordinator:

David Connell

Duration:

One Year

PROFILE: Sean Hannon

Engineering has always been something that I thought I would like to have as a career. At first, I was not sure what to expect from the BIFE course, however, I am delighted that I made the choice to study in BIFE. The tutors are excellent and very approachable. I liked the fact that it is a continuous assessment. The course itself is very interesting and I gained lots of practical knowledge too. One day a week, we attended I.T. Tallaght, for Mechanics and Electronics. This means we get to use high spec equipment, which is a fantastic opportunity. The course is a great foundation for further studies at University. It gave me a clearer idea of the specialised area of engineering. I would highly recommend BIFE and the Pre-University Engineering course to anyone. The overall atmosphere within the college is also extremely friendly and it is easily accessible too.

Programme of Study

- Engineering Workshop Theory
- Engineering Workshop Processes
- Mechanics*
- Physics
- Computer Aided Draughting (CAD)
- Mathematics
- Work Experience
- Communications
- Electronics*

Components subject to change

** These Modules are taught in I.T. Tallaght one day per week. Bus service provided.*

Entry Requirements

One of the following:

- Leaving Certificate or equivalent (Minimum Requirement Ordinary Level Mathematics). Extenuating circumstances may be considered
- QQI Level 4 Award
- Mature Applicants

Places are offered following a successful interview.

Career Opportunities

Engineering careers in healthcare, design, communications, manufacturing, food production, power generation and transport are some of the industries that graduates of engineering work in. Engineers contribute to technologies that we use every day. People use mobile phones, computers, the internet, high definition TV and digital cameras every day. Today the world is connected through communications systems. The smart grid, electric cars, robotics, the music industry, and countless other systems and areas are continually developing and advancing.

As an engineering graduate, you will be involved

in designing, building, automating, testing and managing. You may work on aircraft engine production, power station maintenance, water filtering plants, computer chip production systems, pharmaceutical production facilities or light rail systems.

Higher Education Progression*

Examples of potential courses include:

- **TU Dublin (Tallaght):**
 - Higher Certificate in Electronic Engineering Level 6 (TA201)
 - Higher Certificate in Mechanical Engineering Level 6 (TA203)
 - BSc in Mechanical Engineering Level 7 (TA213)
 - BSc in Energy & Environmental Engineering Level 7 (TA215)
 - BSc in Electronic Engineering Level 7 (TA216)
 - BSc Hons. In Mechanical Engineering (TA222)
 - BSc Hons in Energy Systems Engineering (TA223)
- **TU Dublin (Kevin St.):**
 - BSc In Biosciences (DT259)
 - Civil Engineering (DT004)
 - BSc in Engineering (General Entry DT097)
- **Maynooth:**
 - BSc in Product Design (MH305)

Please note that the courses listed above are only a select few, many other courses can be entered using this QQI award, please visit www.careersportal.ie for more.

**Places are not guaranteed in these Institutes and are subject to students meeting certain criteria. Please consult the individual college websites for more information on application. Information available also at www.cao.ie*

COMPUTER SOFTWARE DEVELOPMENT (NA) QQI Level 5 Award

This course is designed to provide a foundation in programming and software development. As well as learning the technical skills needed to write software, computational methods and problem solving will be a key component of this course. On successful completion students wishing to acquire a higher level of professional software development skills can avail of progression routes onto our Level 6 Advanced Certificate in Computer Systems & Networks or alternatively may apply via the CAO onto an undergraduate degree programme in a range of third level institutions. Assessment will be through continuous assessment and examinations.

Programme of Study

- Fundamentals of Object Orientated Programming
- Software Architecture
- Maths for Information Technology
- Programming and Design Principles
- Database Methods
- Software Testing
- Communications
- Work Experience

Components subject to change

Entry Requirements

One of the following:

- Leaving Certificate (minimum of five 06/H7's or combination of five 06/H7's) or its equivalent with minimum entry requirement Ordinary Level Maths Extenuating circumstances may be considered
- Leaving Certificate Applied Award
- QQI Level 4 Certificate Award
- Mature Applicants – experience will be considered in lieu of formal qualifications

Places are offered following a successful interview.

Applicants should have good basic literacy and mathematical skills.

Career Opportunities

- Software Developer
- Mobile App Developer

Higher Education Progression*

Examples of potential courses include:

- **BIFE:**
Software Development QQI Level 6 (6M0691)
- **TU Dublin:**
BSc in Computing (DT211)
BSc in Games Design (DT508)
BSc in Computing (TA312)
- **IADT:**
BSc (Hons) in Creative Computing (DL836)
- **IT Carlow:**
BSc in Computing Games Development (CW208)
- **IT Blanchardstown:**
BSc in Information Technology (BN013)

Please note that the courses listed above are only a select few, many other courses can be entered using this FETAC award, please visit www.careersportal.ie for more.

Certification:

QQI Level 5 Award Computer Systems and Networks (5M0529)

Head of Department:

Paul Shortall

Course Co-ordinator:

Paul Shortall

Duration:

One Year

COMPUTER SCIENCE (NB)

QQI Level 5 Award

Certification:

QQI Level 5 Award in Computer Systems and Networks (5M0536)

Head of Department:

Paul Shortall

Course Co-ordinator:

Paul Shortall

Duration:

One Year

PROFILE: Gabriel Ichim

I am very proud of my Advanced Certificate in Networks & Software Systems and am pleased that I had the opportunity to earn it at Bray Institute of Further Education. The competency and the professionalism of the teachers were nothing less than outstanding. I had completed the Level 5 Information Technology course at this college when I started the program in 2013. On completion of the course I progressed directly into 3rd Year at Institute of Technology Tallaght pursuing a Bachelor of Science in IT Management degree, and working as a Data Analyst for an Irish company. On a daily basis, I must apply various aspects of theory and techniques that I learned during my time at Bray Institute of Further Education. I genuinely endorse Bray Institute of Further Education and everything for which it stands.

Computer science requires skills that are in-demand in practically every industry in today's technology-dependent world. This course is suitable for students who are looking for a career with a comprehensive grounding in computing. It will develop your knowledge and skills in programming, mobile app development as well as computer systems and architecture, operating systems and networking technologies. Assessment will be through continuous assessment and end of year examinations.

Students wishing to acquire a higher level of professional technical skills can avail of progression routes onto our Level 6 Advanced Certificate in Computing Systems & Networks or alternatively suitably qualified graduates may apply via the CAO onto an undergraduate degree programme in a range of third level institutions.

Programme of Study

- Programming and Design Principles
- Mobile Technologies
- Computer Systems Hardware
- Networking Essentials
- Operating Systems
- Maths for Information Technology
- Work Experience
- Communications

Components subject to change

Entry Requirements

One of the following:

- Leaving Certificate (minimum of five 06/H7's or combination of five 06/H7's) or its equivalent with minimum entry requirement Ordinary Level Maths. Extenuating circumstances may be considered
- QQI Level 4 Award with a distinction profile
- Leaving Certificate Applied with a merit profile
- Mature Applicants – experience will be considered in lieu of formal qualifications

Places are offered following a successful interview.

Applicants should have good basic literacy and mathematical skills.

Career Opportunities

This course offers a range of skills in computer and networks maintenance, programming, app development and operating systems. These are areas that are experiencing skill shortages.

Higher Education Progression*

Examples of potential courses include:

- **BIFE:**
Computing Systems and Networks QQI Level 6 (6M0695)
- **TU Dublin:**
BSc in Computer Science (DT211)
BSc in Networking Technologies (DT080)
BSc in Computing (TA322)
BSc in IT Management (TA323)
- **IADT:**
BSc in Creative Computing (DL836)
- **IT Carlow:**
Computing Systems Management (CW248)
Computer Science UCA (DN201)
Science UCA (DN200)

Please note that the courses listed above are only a select few, many other courses can be entered using this FETAC award, please visit www.careersportal.ie for more.

*Places are not guaranteed in these Institutes and are subject to students meeting certain criteria. Please consult the individual college websites for more information on application. Information available also at www.cao.ie

COMPUTER NETWORKS AND CYBER SECURITY (NC) QQI Level 6 Award

There is increased demand for IT professionals who design, implement and troubleshoot computer networks. This advanced certificate course is designed to provide the necessary skills to meet this need. Focusing on a higher level of IT specialist skills in the area of network design, installation, configuration and administration, as well as how they can be applied in modern technologies. You will also acquire the skills to identify security threats and apply appropriate mitigation strategies. The nature of computer networking demands that network specialists are problem solvers with excellent attention to detail as well as having skills in coding and mobile technology development. Suitably qualified graduates may apply via the CAO onto an undergraduate degree programme in a range of third level institutions.

Programme of Study

- Physical and Logical Networking
- Systems Software
- Mobile Technologies & App Development
- Object Oriented Programming
- Information Technology Administration
- Network Infrastructure
- Communications
- Work Experience
- Mathematics
- Security

Components subject to change

Entry Requirements

One of the following:

- Leaving Certificate (minimum of five 06/H7's or combination of five 06/H7's) or its equivalent with relevant experience and minimum entry requirement Ordinary Level Maths. Extenuating circumstances may be considered
- Applicants with an appropriate qualification at QQI Level 5
- Applications from mature learners who do not match these requirements but with comprehensive relevant experience in the area will be considered

Places are offered following a successful interview.

Career Opportunities

This course offers a range of skills in networking, programming, app development and operating systems. These are areas that are experiencing skill shortages. Graduates will be equipped with a skill set that will enable them to seek employment or successfully progress to higher education.

Higher Education Progression*

Examples of potential courses include:

- **UCD:**
Computer Science UCA (DN201)
Science UCA (DN200)
- **TU Dublin:**
BSc in Computer Science (DT211)
BSc in Networking Technologies (DT080)
BSc in Computing (TA322)
BSc in IT Management (TA323)
- **IADT:**
BSc in Creative Computing (DL836)
- **IT Carlow:**
Computing Systems Management (CW248)

*This is a selection of some of the available progression paths.

Certification:

QQI Level 6 Award in Computer Systems and Networks (6M0695)

Head of Department:

Paul Shortall

Course Co-ordinator:

Paul Shortall

Duration:

One Year

PROFILE: Liviu Runcan

Certificates awarded while in BIFE:

2015 - 2016 Computer Systems & Networks QQI level 5.

2016 - 2017 Computer Systems & Networks QQI level 6.

Signing up to BIFE (Computing courses level 5/6), was the best decision I ever took. It opened so many doors for me and I am now working for a National Award Winning Telecoms company. I am currently working for Goldfish Telecoms (within their IT Technical department), which is an Irish-owned cloud telecoms company that provides VoIP services to businesses across Ireland and abroad. I cannot express my gratitude enough to all the teachers at BIFE, they were always very supportive and helpful. Due to my academic performances obtained at BIFE during these two years, I can now apply to almost any 3rd level institution and will be pursuing a Bsc Degree in Computer Science (part-time) while working.

APPLIED ECOLOGY AND BIODIVERSITY STUDIES (HX) QQI Level 5 Award

The purpose of this course is to enable the learner to acquire the knowledge, skill and competence to independently and collaboratively analyse and report on the biological diversity within eco systems and the correct management of the earths resources. Additionally, completion of this course will aid progression to further or higher education.

Certification:

QQI Level 5 Applied Ecology Award (5M5028)

Head of Department:

Paul Shortall

Course Co-ordinator:

Elaine O'Mahony

Duration:

One Year

Programme of Study

- Ecological Field Methods
- Biological Diversity
- Sustainable Water Management
- Communications
- Work Experience
- Environmental Studies
- Applied Permaculture
- Permaculture Design
- Soil Science

Components subject to change

Entry Requirements

One of the following:

- Leaving Certificate (minimum of five 06/H7's or combination of five 06/H7's) or its equivalent with at least one science subject and minimum entry requirement Ordinary Level Maths. Extenuating circumstances may be considered
- Leaving Certificate Applied with a distinction profile to include QQI level 4 Biology
- Full QQI Level 4 with a distinction profile and with a science subject
- Mature applicants – experience will be considered in lieu of formal qualifications

Places are offered following successful interview. Applicants should have good basic literacy skills and mathematical skills.

Career Opportunities

- Energy Consultant
- Environmental Consultant
- Environmental Education Officer
- Nature Conservation Officer
- Waste Management Officer

Higher Education Progression*

Examples of potential courses include:

- **UCD:**
Archaeology, Geography & History – Social Sciences DN700 AGH
Environmental and Natural Resource Management (Thurles) LC408
- **CIT:**
Environmental Engineering CR055

Please note that the courses listed above are only a select few, many other courses can be entered using this QQI award, please visit www.careersportal.ie for more.

TEACHER TRAINING & EDUCATION - PRE UNIVERSITY (HO) QQI LEVEL 5 Award

The purpose of this award is to enable learners to acquire the knowledge, skill and competence to engage with the education and training sector gaining an appreciation of underpinning philosophies and requirements, to consider professional practice and development opportunities, and or to progress to further or higher education in the field.

There are many links to teacher training from this course.

Programme of Study

- Concepts in Education and Training
- Interpersonal and Group Behaviour
- Training and Development Contexts
- Peer Mentoring
- Psychology
- Research and study skills
- Word Processing
- Communications
- Work Experience

Components subject to change

Entry Requirements

One of the following:

- Leaving Certificate (minimum of five 06/H7's or combination of five 06/H7's) or its equivalent. Extenuating circumstances may be considered
- Leaving Certificate Applied Award
- Full QQI Level 4 Award
- Mature Applicants - experience will be considered in lieu of formal qualifications

Places are offered following successful interview. Applicants should have good basic literacy and mathematical skills.

Career Opportunities

This course is ideal for those wishing to pursue a career in education or training in the following areas:

- Team mentoring
- Professional development trainer
- Working in the early childhood sector
- Curriculum development assistant

Graduates of this course can enter Post-Primary education courses to become a post-primary school teacher.

Higher Education Progression*

Graduates are eligible to apply through the CAO and/or the Higher Education Links Scheme for entry to year one of a range of higher certificate and degree programmes at Institutes of Technology and Universities such as:

- **DCU:**
Education and Training (DC235)
Post Primary Education (DC010, DC011, DC012)
- **UCD:**
Social Policy and Sociology: DN750
Psychology

Please note that the courses listed above are only a select few, many other courses can be entered using this FETAC award, please visit www.careersportal.ie for more.

Certification:

QQI Level 5 Award in Education and Training (5M3635)

Head of Department:

Paul Shortall

Course Co-ordinator:

Laura Cullen

Duration:

One Year

*Places are not guaranteed in these Institutes and are subject to students meeting certain criteria. Please consult the individual college websites for more information on application. Information available also at www.cao.ie

INCLUSIVE EDUCATION AND TRAINING THROUGH ASSISTIVE TECHNOLOGY (HY) QQI Level 6 Award

The purpose of this award is to enable the learner to acquire the knowledge skill and competence, to design, promote and implement best practice in inclusive education in a range of contexts and settings and or to progress to higher education and training.

Students will learn the principles of an inclusive education model as they relate to the development of a learning environment to include all learners

Certification:

QQI Level 6 Award in Inclusive Education and Training (6M2263)

Head of Department:

Paul Shortall

Course Co-ordinator:

Laura Cullen

Duration:

One Year

Programme of Study

- Disability Awareness
- Differentiated Learning and Instruction
- Inclusive Education Practice
- Assistive Technology
- Assessment Practice
- Health Promotion
- Special Needs Assisting
- Work Experience
- Communications

Components subject to change

Entry Requirements

One of the following:

- Leaving Certificate (minimum of five 06/H7's or combination of five 06/H7's) or its equivalent. Extenuating circumstances may be considered
- Leaving Certificate Applied Award
- Full QQI Level 4 Award
- Mature Applicants - experience will be considered in lieu of formal qualifications

Places are offered following successful interview. Applicants should have good basic literacy and mathematical skills.

Career Opportunities

This course is ideal for those wishing to pursue a career in inclusive education or training in the following areas:

- Public and private health sectors for children and adults with disabilities
- Working in the early childhood sector
- Community care
- Special needs assistant

Higher Education Progression*

Graduates are eligible to apply through the CAO and/or the Higher Education Links Scheme for entry to year one of a range of higher certificate and degree programmes at Institutes of Technology and Universities such as:

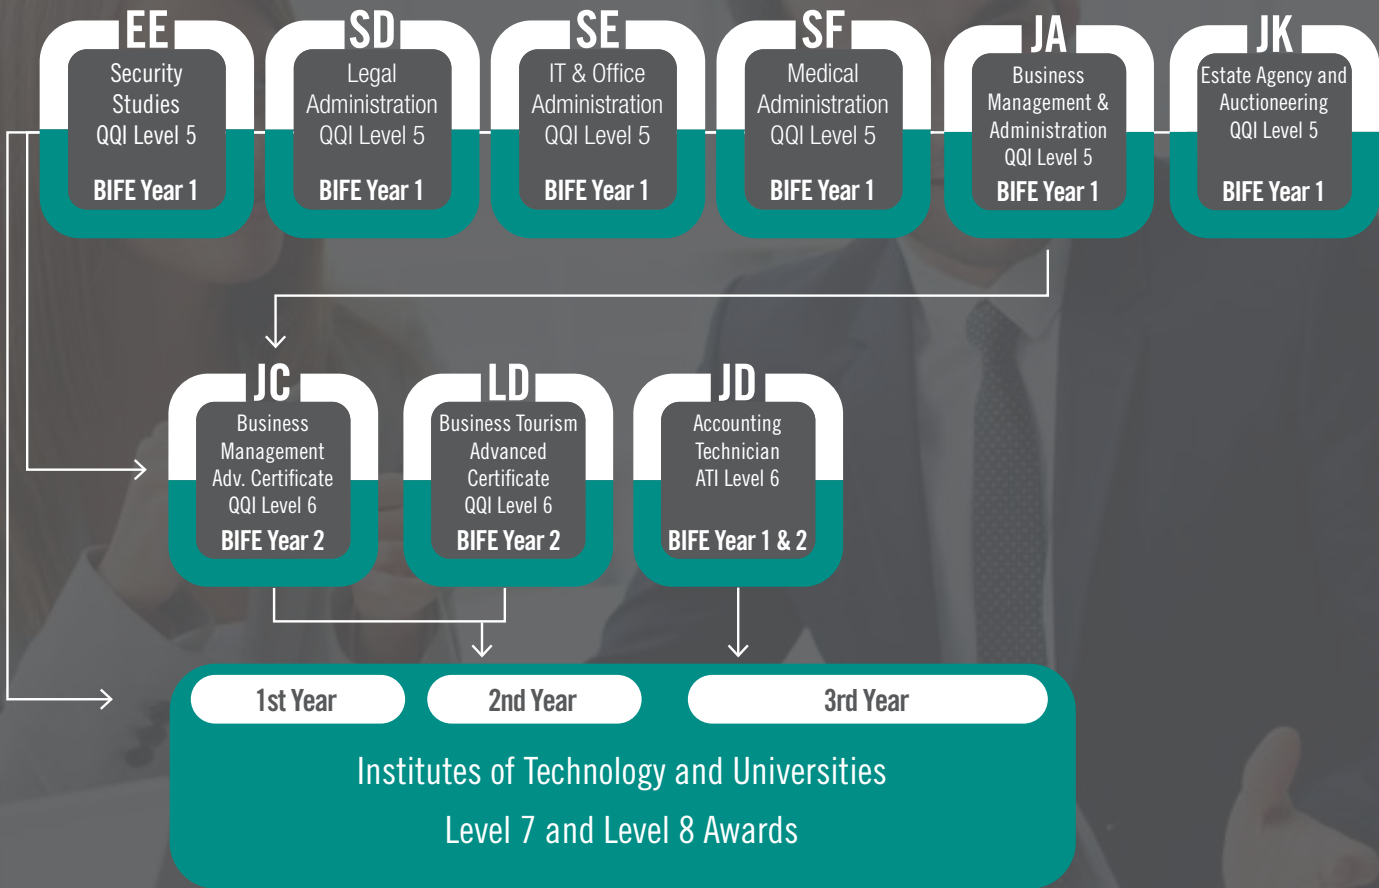

- **DCU:**
Education and Training (DC235)
Post Primary Education (DC010, DC011, DC012)
- **UCD:**
Social Policy and Sociology (DN750)

Please note that the courses listed above are only a select few, many other courses can be entered using this FETAC award, please visit www.careersportal.ie for more.

BUSINESS

PROGRESSION ROUTE

BUSINESS MANAGEMENT & ADMINISTRATION (JA) QQI Level 5 Award

This course combines a wide range of Business modules including Marketing, Enterprise, Word Processing and Business Administration. It meets the increasing demand from employers for qualified workers who are proficient in a variety of business skills. Learners complete work placements in the business area and gain valuable experience in the sector leaving them ready for either employment or progression into further study at Level 6 or Third Level. Throughout the year students also develop practical skills in Business Administration, Entrepreneurial Skills and Market Research. They have the opportunity also to attend Events in Business and gain valuable knowledge from external speakers and industry specialists.

Programme of Study

- Bookkeeping – Manual & Computerised
- Business Administration Skills
- Communications
- Entrepreneurial Skills
- Marketing Practice
- Statistics
- Word Processing
- Work Experience
- *Modules subject to change*

Entry Requirements

One of the following:

European Studies (MH108)

Certification:

QQI Level 5 Award in Business Studies (5M2102)

Head of Department:

Ruadhan Duggan

Course Co-ordinator:

Sarah King

Duration:

One Year

PROFILE:
Cillian Hughes

I received 8 distinctions in my Business Administration course in BIFE. This has allowed me to progress into a level 8 Business Studies degree in DCU which will last approximately 4 years in total. Attending BIFE allowed me to get a feel for what it is like to study business as I had not studied business for the Leaving Certificate. I thoroughly enjoyed all aspects of the Business Administration course. I was particularly interested in the modules of Marketing and Entrepreneurial skills as it opened my eyes to what the business world has to offer. Socially I connected well with all of the people in my class as we had a common interest. There were many extra curricular activities available throughout BIFE. I joined the DJ society which was very interesting and fun to participate in. BIFE was an ideal stepping stone from second level to third level education as it gave me an understanding of the kind of work that I need to do in University.

BUSINESS MANAGEMENT – ADVANCED CERTIFICATE (JC) QQI Level 6 Award

Certification:

QQI Level 6 Award in Management (6M4587)

Head of Department:

Ruadhan Duggan

Course Co-ordinator:

Ruadhan Duggan

Duration:

One Year

PROFILE: Alison Duff

“Choosing the Advanced Management FETAC Level 6 course at the Bray Institute was one of the best decisions I have ever made. I had completed a FETAC Level 5 course in Business and was determined to progress to the next level with the hope of realising a lifelong dream to attend college and obtain my degree. I came across the Institute's prospectus online and was amazed at the choice of courses now available to me. I cannot stress enough how beneficial it has been for me to attend the course in BIFE. Everything that was covered in the classes has been of huge benefit to me here at college and made the transition almost seamless for me. Course content is current, relevant and taught in a very professional manner, in a welcoming and friendly environment.” Alison Duff progressed from BIFE to a degree in Logistics and Supply Chain Management at DIT.

This course enables learners to develop their academic, practical and analytical skills in the business area. The course consists of academic study, practical workshops, field study visits and a range of assignments. There is a strong emphasis on entrepreneurship throughout the course. Graduates may proceed to employment, third level study or set up their own businesses. Guest speakers from the business sector visit the Institute and learners attend business presentations and seminars.

Programme of Study

- Business Management
- Consultative Selling
- Finance
- Personal and Professional Development
- Entrepreneurship
- Communications
- Event Management
- Human Resource Management

Modules subject to change

Entry Requirements

One of the following:

- Full QQI Level 5 award or equivalent.
- Mature Applicants – experience will be considered in lieu of formal qualifications

Places are offered following a successful interview.

Career Opportunities

ACCOUNTING TECHNICIAN (JD - YR 1 / JE - YR 2) ATI Level 6 Award

The institute of accounting technicians is the leading accounting technician body in Ireland with over 12,000 members. The ATI qualification is internationally recognised and graduates are qualified to work in the accounting profession in Ireland or abroad. The Institute has achieved a high success rate in these exams. The ATI offers extensive learner support and advice. In recent years BIFE learners have achieved some of the highest grades in the country in the ATI examinations. In the 2016 Exams Sandra Colgan achieved Joint 1st Place and Niamh Heaney achieved 3rd place overall in Ireland in the 2nd ATI exams. Many other previous students have performed highly in the ATI Exam National Rankings. In recent years many BIFE students have progressed to Third level study with 5 of the 2017 Graduates gaining entry to Year 3 of the Finance Degree at IT Tallaght.

Programme of Study

Year One

- Law & Ethics
- Business Management
- Financial Accounting I
- Taxation I

Year Two

- Advanced Financial Accounting
- Advanced Taxation
- Integrated Accounting Systems
- Management Accounting

Modules subject to change

BA in Accounting (WD084)
- **Cork Institute of Technology (CIT):**
Bachelor of Accounting (CR400)
- **Swansea Metropolitan University:**
BA in Accounting
BA in Business Studies
BA in Accounting & Finance (3rd Year)

Certification:

Accounting Technicians Ireland (ATI)
Level 6 Award

Head of Department:

Ruadhan Duggan

Course Co-ordinator:

Jack Carroll

Duration:

Two Years

PROFILE: Sandra Colgan

As a mature student and mum it was a big decision to return to full-time education after years in industry, but from the start I found the team at BIFE helpful and welcoming. The class sizes are small so you get to know everyone and make new friends. The teachers are really excellent and prepared us well for the ATI exams. Early in the course they gave us some good advice; to get into a study routine, use the library resource and form study groups to help and support each other. I have really enjoyed studying at BIFE and am thrilled with our ATI results – all the hard work paid off and the two years have flown by. Both ATI and BIFE have excellent higher education links with Institute of Technology Tallaght (ITT), and I have now entered third year of the Accounting & Finance degree course with my BIFE classmates. They say “education opens doors” and I couldn’t recommend BIFE highly enough to school leavers and mature students alike. Sandra Colgan achieved Joint 1st Place in Ireland in the ATI Year 2 exams in 2016.

BUSINESS TOURISM ADVANCED CERTIFICATE (LD) QQI Level 6 Award

Certification:

QQI Level 6 Award in Tourism with Business (6M5012)

Head of Department:

Ruadhan Duggan

Course Co-ordinator:

Ruadhan Duggan

Duration:

One Year

PROFILE: Natasha McInerney

After finishing the Leaving Certificate and not being sure of what I wanted to do after school, I decided to do a level 5 in Tourism & Event Management. I found the course provided me with so much knowledge and experience within the first year that I decided to stay on and do a Level 6. This course provided me with even more of an insight into the Events, Tourism & Business industry. Straight after completing my Level 6 in 2016, I progressed on to IADT where I was able to skip the first year and go straight into the second year of the Bachelor's Degree in Business & Entrepreneurship Management. I wouldn't have been able to get to where I am today without the constant help and guidance I received from the tutors at Bray Institute of Further Education.

This course combines a wide range of modules including Tourism Policy and practice, Enterprise, Event Management and Business Management Skills. It meets the increasing demand from employers for qualified workers who are proficient in a wide range of business skills. Learners complete work experience placements in the business area and gain valuable experience in the sector leaving them ready for either employment or progression onto further study at Third Level. Throughout the year students are involved in Entrepreneurial Activity, Market Research and indeed benefit from external speakers and industry specialists.

Programme of Study

- Tourism Policy and Practice
- Communications
- Personal and Professional Development
- Business Management
- Entrepreneurship
- Consultative Selling
- Event Management
- Human Resource Management

Components subject to change

Entry Requirements

One of the following:

- Full QQI Level 5 award or equivalent.
- Mature Applicants and those with industry skills or other qualifications.

Places are offered following a successful interview.

Career Opportunities

- Business Administration
- Customer Service
- Marketing
- Sales
- Transport Operators
- Hospitality Sector
- Event Management
- Hotel & Catering Operations

Higher Education Progression*

Examples of potential courses include:

- **UCD:**
BA in Arts - Information & Communication Studies (DN520)
- **Maynooth:**
BA in Arts - Geography (MH101)
- **UCC (NUI):**
Arts - Archaeology (CK101)
Arts International (CK108)
Geographical and Archaeological Sciences (CK107)

*Places are not guaranteed in these Institutes and are subject to students meeting certain criteria. Please consult the individual college websites for more information on application. Information available also at www.cao.ie

LEGAL ADMINISTRATION (SD)

QQI Level 5 Award

This one-year QQI Level 5 certificate course is designed to enable you to work in a legal environment or to prepare for a career in the legal profession by progressing to higher education. In addition to developing your technical skills in a range of office-related activities, you will have a specialist focus on legal practice. You will develop your Microsoft Office skills alongside fast and accurate keyboarding. In completing this course, you will feel confident about working in any general office or legal environment and have developed strong individual and team skills.

In addition, successful graduates of this course may also take the next step and progress to higher education or university to continue their studies to achieve a full law degree.

Programme of Study

- Legal Practice and Procedures
- Business Law
- Criminal Law
- Communications
- Work Experience
- Text Production with Data Entry
- Audio Transcription
- Spreadsheets
- Word Processing

Components subject to change

QQI Level 5 Award in Legal Studies
(5M3789)

Head of Department:

Ruadhan Duggan

Course Co-ordinator:

Seán Cryan

Duration:

One Year

PROFILE: Fiona Rooney

As a mature student, with no previous college experience, I chose BIFE to help me achieve my lifelong goal of becoming a Legal Secretary. The Legal Studies course opened up to me, a whole new world of skills and experience needed to work in a Legal working environment. The support and help from the teachers right from day 1 was second to none, and the excellent on-board college facilities made the transition for me as a mature student as smooth and easy as I could have hoped for. During my year at BIFE, I made lifelong friends and gained a new found confidence, helping me to pursue a career in a solicitor's office. I graduated the Legal Studies Course with Distinctions across the board and won Student of the Year. I have obtained a great job in a well-established firm and cannot thank BIFE enough for helping me to achieve this. I would highly recommend this course to school leavers and mature students alike.

MEDICAL ADMINISTRATION (SF)

QQI Level 5 Award

Certification:

QQI Level 5 Award in Office Administration (5M1997). Level 5 equivalence on the NFQ

Head of Department:

Ruadhan Duggan

Course Co-ordinator:

Mary Murphy

Duration:

One Year

PROFILE: Ann Maher

Having run my own Children's Dance School for the last 21 years, the decision to change direction and go back to study was very daunting. I did my Leaving Cert in 1979 and had never done an assignment in my life. My computer skills were limited so I knew a challenge awaited. Walking through the doors of BIFE on that first day was nerve-racking but I need not have worried. From day one all the staff were so welcoming and helpful. There was a range of ages in my class and everyone was willing to help each other out. We were like a big family. The modules covered were exactly what I needed and I thoroughly enjoyed learning again. Our tutors were of a high standard and made the whole experience a very enjoyable one. By the end of the course I had acquired a new confidence and now work part-time in a GP surgery. If you are in a quandary about doing this course I would say absolutely go for it!

(Mornings only)

This one-year QQI Level 5 certificate course is designed to give you a nationally recognised vocational qualification that enables you to work in both the medical/dental and general secretarial environments. It provides learners with the knowledge and skills to meet the specialist administrative and secretarial needs of a range of health care occupations as found in hospitals, community health, general and private practice, research, the pharmaceutical industry and complementary medicine. The course is based around general areas of administration and business, secretarial skills, key concepts of computing and its uses in the workplace. The course enables learners to progress directly into employment.

Programme of Study

- Information & Administration
- Word Processing
- Communications
- Work Experience
- Text Production
- Audio Transcription
- Spreadsheets
- Medical Terminology
- Socrates (Medical Practitioner Software)
- First Aid

Components subject to change

Duration:
One Year

PROFILE:
**Eoin
Kenny**

Going to BIFE was the best thing I ever did. I learned all the skills needed to work in security in these hard times. The help and support I got from Charlie Batt and his expert team was second to none. I was long term unemployed. Now I enjoy the dignity of a full time job. I highly recommend it. Thanks to all at BIFE.

ADULT LEAVING CERTIFICATE (RB)

Leaving Certificate

This course offers those who have never taken the Leaving Certificate a chance to undertake this important examination. All learners can be assured of a friendly and supportive learning environment at Bray Institute of Further Education. Supervised Library Study facilities are provided for learners throughout the day. Advice and support is provided by the Guidance Counsellor.

Programme of Study

- Leaving Certificate classes are offered in a range of subjects.
- The choice of subjects offered will depend on demand.
- The course will have at least five subjects which will include Irish, English and Mathematics.

Entry Requirements

- No formal qualifications are required
- All applicants are required to attend an interview
- Mature learners are welcome
- Students must be over 18

Places are offered following successful interview.

Education Progression

Successfully passing the Leaving Certificate will enable students to access PLC Courses where the Leaving Certificate is a minimum entry requirement.

Certification:
Leaving Certificate

Head of Department:

Course Co-ordinator:
Michael Galligan

Duration:
One Year

PROFILE:
Wayne
Cox

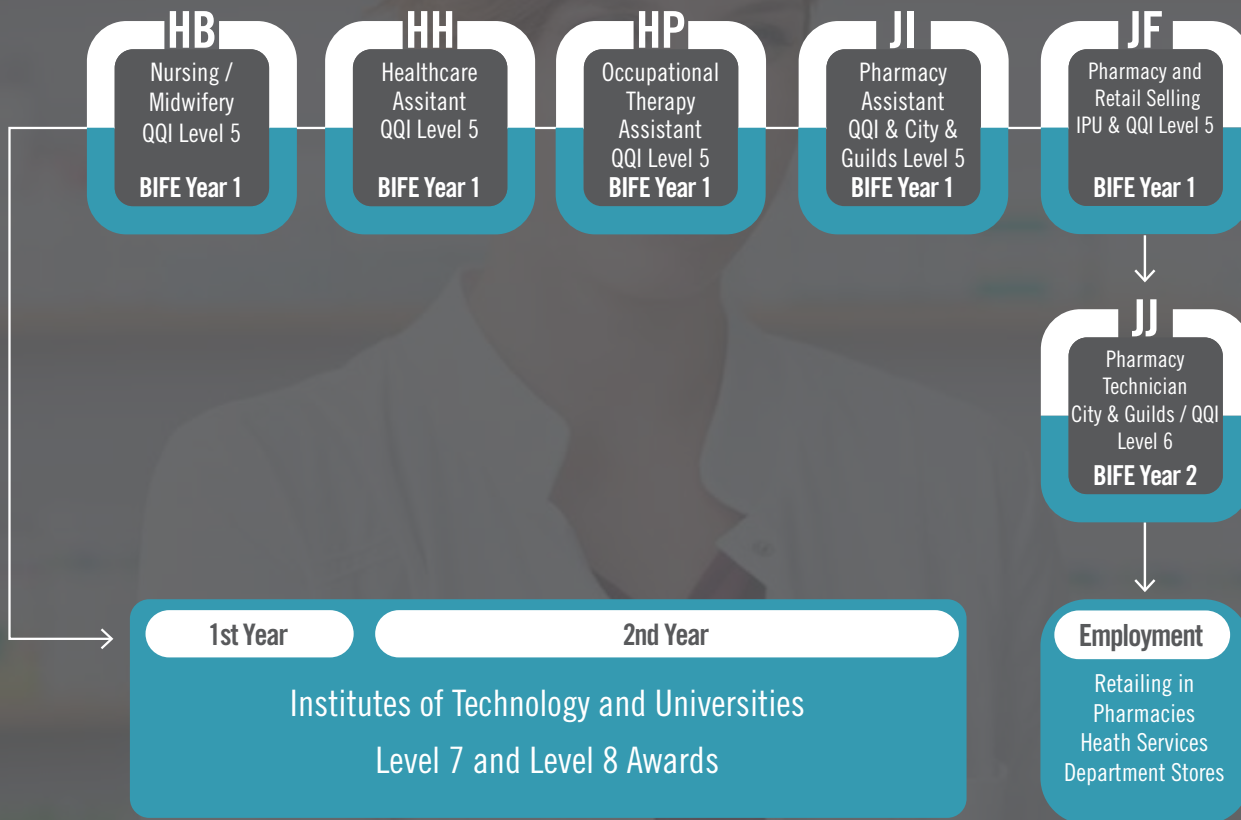

Returning to education after thirty two years was a daunting prospect. The staff at BIFE with their high standard of teaching made the experience an enjoyable one. The teachers made the long forgotten subjects easy to understand.

From my own experience of the Adult Leaving Certificate course, if students are prepared to work hard, then good results are easily achievable. At the age of forty eight I passed with three A1's, an A2 and a B1. It is never too late to further your education.

Wayne Cox

 - Students frequently accepted in Scottish Universities

Certification:

QQI Level 5 Award in Nursing Studies (5M4349)

- First Aid and CPR (BIFE)
- Manual Handling and Patient Moving Techniques (BIFE)

Head of Department:

Helen O'Mahony

Course Co-ordinator:

Emer Shortall

Duration:

One Year

PROFILE: Fia Murphy

I completed the Pre-Nursing and Midwifery QQI level 5 in BIFE in 2018. I applied to two Universities in Scotland and got offered a place in both. I then received a third round offer to study Children's and General Nursing Integrated in UCD. I went with what I felt was right and chose to stay at home to study. I am loving every moment of my time in UCD and I am very excited to start placement in January. The Pre-Nursing and Midwifery course benefitted me significantly and gave me a greater insight into Nursing and what to expect. The knowledge and experience I gained from my time in BIFE has come to be extremely useful during my labs and lectures and I am that little bit more ahead of students that have come straight from secondary school. I undoubtedly would not have achieved what I have if I didn't work hard and was given the support and commitment from all the staff there. I enjoyed every minute of my year in BIFE and am indebted to the staff for their efforts in supporting me and helping me achieve my distinctions. I certainly wouldn't be where I am today if it wasn't for all their help throughout the year. I would highly recommend BIFE to anyone who is thinking of pursuing a career in nursing.

*Places are not guaranteed in these Institutes and are subject to students meeting certain criteria. Please consult the individual college websites for more information on application. Information available also at www.cao.ie

HEALTHCARE ASSISTANT (HH)

QQI Level 5 Award

Certification:

QQI Level 5 Award in Healthcare Support (5M4339)

Head of Department:

Helen O'Mahony

Course Co-ordinator:

Emer Shortall

Duration:

One Year

PROFILE: Alison Bermingham

I decided to return to full time education with a view to changing my career. BIFE gave me the opportunity to study the Healthcare Assistant Course as a mature student. The course equipped me with the knowledge to proceed into a full time Health Care Assistant position in the Beacon Hospital which I love. I found the teachers in BIFE to be very knowledgeable and encouraging together with being right up to date on the relative standards set out by organisations such as HIQA, The HSE and The World Health Organisation (WHO).

I would highly recommend this course for anyone who has a genuine interest in helping and looking after people.

This course provides a recognised qualification necessary for working as a Health Care Assistant in a variety of settings, including hospitals, day and residential care, mental health, palliative care and the home. The content of the course focuses on preparing the learner for the workplace. It equips the carer with the knowledge and skills necessary to work in this rewarding role as a member of the care team. Two days per week are allocated to facilitate work experience in order to prepare well for employment. It is suitable for those wishing to embark on a career in caring and those already working in the sector who wish to gain a recognised qualification. Employers consistently seek to employ students directly from this course.

Programme of Study

- Care Skills
- Care Support
- Safety & Health at Work
- Communications
- Work Experience
- Infection Prevention and Control
- Care of the Older Person
- Palliative Care Support
- Manual Handling & Patient Moving Techniques (one day course)
- First Aid & CPR

Components subject to change

Entry Requirements

One of the following:

- Leaving Certificate (minimum of five 06/H7's or combination of five 06/H7's) or its equivalent. Extenuating circumstances may be considered
- Leaving Certificate Applied
- Full QQI Level 4 award
- Mature Applicants – experience will be considered in lieu of formal qualifications

Places are offered following successful interview.

Learners must be Garda vetted prior to work experience placement. Learners are required to source their own work placement.

Career Opportunities

Employment as Healthcare Assistant in:

- Hospitals
- Residential Care
- Maternity Care
- Home Care
- Hospice Care
- Community and Day-Care Centres

Higher Education Progression*

- **BIFE:**
BTEC Higher National Diploma in Health and Social Care (HC) Level 6
Pharmacy Technician Studies (JJ) Level 6
- **TU Dublin:**
Pharmacy Technician Studies (DT425) Level 6
Applied Social Studies in Social Care Level 7 (TU991)
- **IT Carlow:**
Physiology & Health Science (CW106) Level 6
Pharmacy Technician Studies (CW116) Level 6
- **Carlow College:**
Applied Social Studies (PC404) Level 7
Social, Political & Community Studies (PC405) Level 8
- **Waterford IT:**
BA in Social Care Practice (WD192)

*Places are not guaranteed in these Institutes and are subject to students meeting certain criteria. Please consult the individual college websites for more information on application. Information available also at www.cao.ie

OCCUPATIONAL THERAPY ASSISTANT (HP)

QQI LEVEL 5 Award

This course is suitable for students who are considering a career as an occupational therapy assistant. The course will focus on developing an understanding of impaired mobility and its impact on human occupational performance and ability and the role of occupational therapy in current healthcare services. Students will obtain work experience in homes for the elderly, disability schools/homes, rehabilitation centres and respite care centres for a two-week period.

Students will develop an awareness of how to assist the OT in the implementation of therapeutic programmes. During their work placement, students will develop an understanding of how to plan for and engage the client in self-care activities and examine the components of the OT process, from assessment through treatment planning and implementation to treatment closing.

Programme of Study

- Care Support
- Infection Prevention Control
- Communications
- Work Experience
- Anatomy & Physiology
- Care Skills
- Occupational Therapy Assistant Practice
- Occupational Therapy Assistant Theory

Components subject to change

Entry Requirements

One of the following:

- Leaving Certificate (minimum of five 06/H7's or combination of five 06/H7's) or its equivalent. Extenuating circumstances may be considered
- Leaving Certificate Applied
- Full QQI Level 4 Award
- Mature Applicants – experience will be considered in lieu of formal qualifications

Places are offered following successful interview. Learners must be Garda vetted prior to work experience placement. Learners are required to source their own work placement.

Career Opportunities

Successful graduates of this course will be eligible to apply for a position as an Occupational Therapy Assistant in a variety of therapy/care settings.

Higher Education Progression*

Graduates are eligible to apply through the CAO and/or the Higher Education Links Scheme for entry to year one of a range of higher certificate and degree programmes at Institutes of Technology and Universities. Options to study in the UK are also available.

Certification:

QQI Level 5 Award in Healthservice Skills (5M3782)

Head of Department:

Helen O'Mahony

Course Co-ordinator:

Helen O'Mahony

Duration:

One Year

*Places are not guaranteed in these Institutes and are subject to students meeting certain criteria. Please consult the individual college websites for more information on application. Information available also at www.cao.ie

PHARMACY ASSISTANT (JI)

QQI LEVEL 5 Award

This course is aimed at those interested in working in a community pharmacy or for those wishing to progress to our two year (part-time) Pharmacy Technician Course.

Certification:

QQI Level 5 Award in Community & Health Services

City & Guilds Level 2 in Pharmacy Services Skills

Head of Department:

Sandra Kelly

Course Co-ordinator:

Laura Cullen

Duration:

One Year

Programme of Study

- Pharmacy Studies - Theory and Practice
- Over the Counter Medicines
- Infection Prevention and Control
- Biology
- Anatomy and Physiology
- Introduction to Nursing
- Mathematics
- Computer Applications
- Safety & Health at Work
- Communications
- Work Experience

Components subject to change

Entry Requirements

One of the following:

- Leaving Certificate (minimum of five 06/H7's or combination of five 06/H7's) or its equivalent. Extenuating circumstances may be considered
- Leaving Certificate Applied Award
- Full QQI Level 4 Award
- Mature Applicants - experience will be considered in lieu of formal qualifications

Places are offered following successful interview. Applicants should have good basic literacy and mathematical skills.

Career Opportunities

Students completing this course can compete for employment in community Pharmacies as Pharmacy Assistants. Students will also have completed a QQI Level 5 award in Community and Health which allows students apply for related Degree courses in Institutes of Technology and Universities nationally. Successful graduates may also progress to our two year (part-time) Pharmacy Technician course (see next page)

Higher Education Progression*

Graduates are eligible to apply through the CAO and/or the Higher Education Links Scheme for entry to year one of a range of higher certificate and degree programmes at Institutes of Technology and Universities such as:

- **BIFE:**
Pharmacy Technician Level 6 (JJ)
- **DCU:**
Health & Society (DC209)
- **IT Carlow:**
Pharmacy Technician Studies (CW116)
- **TU Dublin:**
Pharmacy Technician Studies (DT425)

*Places are not guaranteed in these Institutes and are subject to students meeting certain criteria. Please consult the individual college websites for more information on application. Information available also at www.cao.ie

PHARMACY TECHNICIAN (JJ)

City & Guilds

This course is modular with continuous assessment over the two years. Students will develop medical knowledge to recognise common illnesses and communication skills to liaise with pharmacists and counsel patients on healthcare issues.

Students will gain experience in dispensing procedures and practices and be able to interpret prescriptions and prepare medicines for dispensing. They will be able to maintain patient records and operate pharmacy computer systems. They will also be able to supply non-prescription medicines in accordance with legislation and guidelines.

Programme of Study

Year 1: Diploma in Pharmacy Service Skills

- Provide an effective and responsive pharmacy service
- Actions to reduce risks to health and safety
- Reflect on and develop your practice
- Assemble prescribed items
- Order & Maintain pharmaceutical stock
- Provide advice on symptoms and uses of medicines

Year 2: Diploma in Pharmaceutical Science

- Chemical & biological principles for pharmacy
- Microbiology & human physiology for pharmacy
- Use of medicines for various illnesses and conditions
- Community pharmacy practice
- Professional development in pharmacy
- Pharmacy law, ethics & practice

Components subject to change

Career Opportunities

- Hospital Pharmacies
- Community Pharmacies

Entry Requirements

One of the following:

- QQI Level 5 in Pharmacy & Retail Selling
- City & Guilds Level 2 in Pharmacy Services
- IPU Certificate in Medical Counter Assistant with at least 6 months pharmacy retail experience
- Applicants with at least 2 years experience working in a pharmacy

NB The applicant must be working in the pharmacy for the duration of the course for a minimum of 20 hours a week. All applicants will be interviewed.

Places are offered following successful interview. Learners must source their own work experience.

Higher Education Progression*

Examples of potential courses include:

- **R.C.S.I. (Royal College Of Surgeons, Ireland)**
Degree in Pharmacy

Certification:

City & Guilds Diploma in Pharmacy Service Skills Level 3 after year 1

City & Guilds Diploma in Pharmaceutical Science Level 3 after year 2

Head of Department:

Helen O'Mahony

Course Co-ordinator:

Margaret Allen

Duration:

Two Years

PHARMACY AND RETAIL SELLING (JF)

QQI LEVEL 5 Award

Certification:

IPU (Irish Pharmacy Union) Certificate in Medical Counter Assistant
QQI Level 5 - Community Health Services Award (5M4468)

Head of Department:

Helen O'Mahony

Course Co-ordinator:

Margaret Allen

Duration:

One Year

PROFILE: Alicia O'Neill

I returned to BIFE as a mature student in September 2017, having previously completed an Access Course earlier in the year as I wanted to change career but wasn't sure what I wanted to study. This is how I heard about the Pharmacy Assistant and Retail Course. I found it quite daunting initially, as it was a long time since I studied, having been self-employed for many years.

I have to say the tutors were excellent and so supportive. They answered any questions I had and were so willing to give extra help when I needed it. They were very encouraging and it was my best educational experience ever. I am happy to say that I am now working as a Pharmacy Assistant and I hope to go on to do further study when I get more experience in this industry. If the opportunity arises B.I.F.E. will be my first port of call.

This course is certified by the Irish Pharmacy Union (IPU) and QQI. It offers the opportunity to train as a Pharmacy Counter Assistant. Throughout the year learners will develop a broad range of skills learning how to deal effectively and sensitively with customers in the pharmacy. They will also develop computer, business and selling skills. Practical elements of this course and work experience allows the learners to gain a real insight into the area of Pharmacy and to work with specialists in the sector.

On completion of the course students will be ready to enter the workplace and secure employment in a wide range of areas including: pharmacies, health stores & retail Stores.

Programme of Study

QQI

- Nutrition
- Care Support
- Spreadsheet Methods
- Retail Selling
- Customer Service
- Work Experience
- Word Processing
- Anatomy and Physiology
- First Aid & CPR (one day course)
- Manual Handling (one day course)

IPU

- Gastrointestinal Conditions
- Respiratory Conditions
- Pain
- Smoking Cessation
- Skin
- Vitamins, Minerals and Nutritional Supplements
- Women's Health

Components subject to change

Career Opportunities

- Pharmacies
- Health Stores

Entry Requirements

One of the following:

- Leaving Certificate (minimum of five 06/H7's or combination of five 06/H7's) or its equivalent. Extenuating circumstances may be considered
- Leaving Certificate Applied Award
- Full QQI Level 4 Award
- Mature Applicants - experience will be considered in lieu of formal qualifications

Places are offered following successful interview. Learners must source their own work experience.

Higher Education Progression*

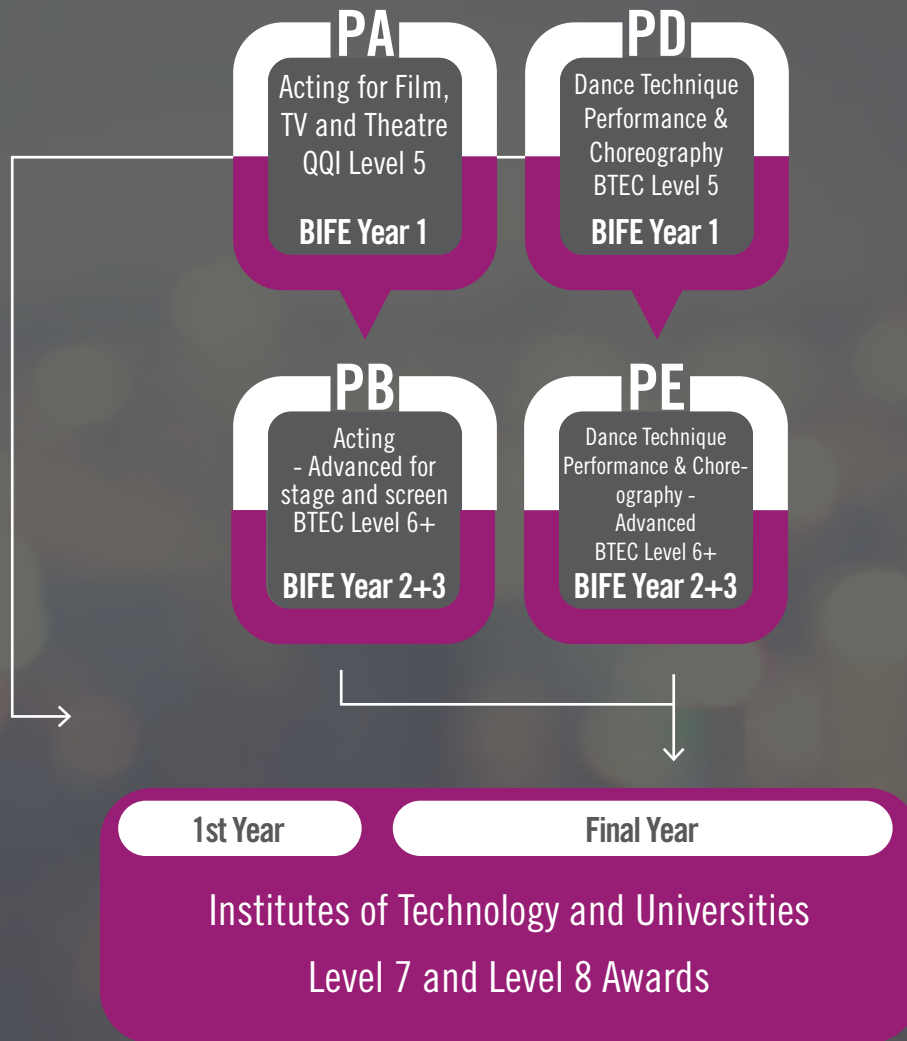

Examples of potential courses include:

- **BIFE:**
Pharmacy Technician Level 6 (JJ)
- **TU Dublin:**
Pharmacy Technician Studies (DT425)
- **Maynooth University:**
Social Science (MH107)

ACTING & DANCE

PROGRESSION ROUTE

ACTING FOR THEATRE & FILM (PA)

QQI Level 5 Award

This intensive one year course provides a production-led study in film, TV and theatre performance. It enables learners to develop the personal qualities and performance skills essential to an actor - self-confidence, focus, flexibility, imagination and trust.

Training prepares students to perform in a range of Media with the creation of character through devising, physical exploration or improvisation at its core. The course will give a thorough foundation in the essentials of acting and production. The course will equip students with the confidence and skills needed for opening night on stage or screen.

Programme of Study

- Theatre Performance Skills
- Performance Craft
- Mime and Movement
- TV and Film Acting
- Acting Skills and Techniques
- Theatre Studies
- Stage Combat
- Communications
- Work Experience

Components subject to change

Entry Requirements

One of the following:

- Leaving Certificate (minimum of five 06/H7's or combination of five 06/H7's) or its equivalent. Extenuating circumstances may be considered
- Leaving Certificate Applied Award
- Full QQI Level 4 Award
- Mature students – experience will be considered in lieu of formal qualifications

Places are offered following successful interview and successful participation in a workshop/audition.

Career Opportunities

- Film Acting
- TV Acting
- Theatre Acting
- Radio Production
- Presenting
- Marketing in the Arts
- Casting

Higher Education Progression*

Examples of potential courses include:

- **BIFE:**
Performing Arts – Acting (BTEC Higher National Diploma Level 6+) (PB)
- **TU Dublin:**
Drama (Performance) (DT529)
- **TCD:**
Drama and Theatre Studies (TR025)
- **NUI Galway:**
Arts (Drama, Theatre and Performance Studies) (GY118)

*Places are not guaranteed in these Institutes and are subject to students meeting certain criteria. Please consult the individual college websites for more information on application. Information available also at www.cao.ie

Certification:

QQI Level 5 Award in Performing Arts (5M5151)

Head of Department:

Helen O'Mahony

Course Co-ordinator:

Eimer Byrne

Duration:

One Year

PROFILE: Aoife Ní Dhonnchadha

My experience in BIFE has allowed me to further develop not only my acting but also enhance my theatre making skills with support from both students and faculty alike. The support given to me by lecturers was invaluable during my time here. They work with you in order for you to achieve your best, both academically and in performance. Since graduating from BIFE I have been awarded an Honours Bachelors Degree in Drama from the University of Wolverhampton along with an award for "Overall Best Performance". I am now teaching drama to children in the local Bray area. This has always been a dream of mine. I would recommend this course to anyone who wants to develop themselves as a performer and theatre maker. This course can be challenging at times, however the reward is well worth the challenge

ACTING - ADVANCED FOR STAGE & SCREEN

BTEC Higher National Certificate/Diploma (PB - YR 1 / PC - YR 2)

Certification:

BTEC Higher National Certificate in Performing Arts – (Acting) Level 6+ equivalence on the NFQ achieved after year 1

BTEC Higher National Diploma in Performing Arts – (Acting) Level 6+ equivalence on the NFQ achieved after year 2 (603/2375/9)

Head of Department:

Helen O'Mahony

Course Co-ordinator:

Emma Hayward

Duration:

One or Two Years (option of second year to achieve a Higher National Diploma)

PROFILE: Joanna Ryan-Purcell

From 2011 to 2012 I did the foundation level performing Arts at BIFE. From 2013 to 2015 I did the diploma in performing arts. This course gave me an all rounded knowledge of the theatre and its practices. Having an all rounded knowledge in any art form is both useful and important, especially if you want to create your own work. In this course we worked with film makers, dancers, costume designers and make-up artists which made my field of 'all round knowledge' more expansive. If one wants to develop a very strong foundation, I would fully recommend studying at BIFE. You can specialise afterwards but having that foundation is invaluable. It was invaluable to me as an independent artist who creates her own work.

This course is a production-led exploration of all aspects of theatre including performance and production. Training is provided in a comprehensive range of acting skills and students study singing/voice/dance/improvisation/devising/physical theatre/clowning. Particular emphasis is given to training in classical acting skills. Learners will be expected to perform to live audience every term with performances taking place in local venues, Black Box Theatre and at Mermaid Arts Centre.

Programme of Study

- The Performing Arts Industry
- Professional Development
- Devising Theatre and Performance
- Acting
- Voice and Speech for Actors
- Movement for Actors
- Acting for Camera
- Singing
- Fitness Training for the Performing Arts
- Creative Research Project
- Physical Theatre

Components subject to change

Entry Requirements

One of the following:

- Leaving Certificate (minimum of five 06/H7's or combination of five 06/H7's) or its equivalent. Extenuating circumstances may be considered
- QQI Level 5 Award in Performing Arts
- Mature students – experience will be considered in lieu of formal qualifications

Places are offered following successful interview and successful participation in a workshop/audition.

Career Opportunities

- Actor
- Director
- Production Management
- Stage Management
- Set and Lighting Designers
- Prop Management
- Arts Administration
- Teaching
- TV/Film
- Drama Therapy
- Event Management and Tourism.

Higher Education Progression*

Examples of potential courses include:

- **University of Wales, Swansea:**
B.A. Hons Degree in Performing Arts - Performance Theatre (Final year)
- **TU Dublin:**
Drama (Performance) (DT529)
- **TCD:**
Drama and Theatre Studies (TR025)
- **NUI Galway:**
Arts (Drama, Theatre and Performance Studies) (GY118)

*Places are not guaranteed in these Institutes and are subject to students meeting certain criteria. Please consult the individual college websites for more information on application. Information available also at www.cao.ie

DANCE TECHNIQUE, PERFORMANCE AND CHOREOGRAPHY (PD) BTEC National Diploma Award

This exciting new programme skills the dance practitioner/learner and prepares them for entry into today's industry of dance. It provides the learner with an understanding of the skills and knowledge required to pursue a career in dance. The emphasis is on performance, technique and choreography. The one year course gives the learner a comprehensive knowledge of various dance styles and related subjects and allows them the opportunity to develop his/her potential. The course aims to provide a foundation for further studies in dance. It offers a direct route to the Higher National Diploma which will enable learners to proceed to a top up year at University to achieve a B.A. Honours in Dance.

Programme of Study

- Choreography
- Classical Ballet
- Contemporary
- Dance Performance
- Dance Research
- Jazz Dance
- Performing to an Audience
- Performance Workshops

Performing Arts – Dance (BTEC Higher National Diploma)

Certification:

BTEC Subsidiary Diploma in Performing Arts Level 5 equivalence on the NFQ (500/6919/6)

Head of Department:

Helen O'Mahony

Course Co-ordinator:

Helen O'Mahony

Duration:

One Year

PROFILE: Nicole Maguire

Prior to attending Bife I had no real experience of dance technique, however, BIFE taught me the foundations of techniques across all dance styles which has taken me to where I am today. I could not have asked for a better head start to my dancing career. It was there that I found my true love and appreciation for dance. The tutors take immense pride and care in each one of their students and without their faith and support, I would not be where I am today.

DANCE TECHNIQUE, PERFORMANCE & CHOREOGRAPHY - ADVANCED

BTEC Higher National Certificate/Diploma (PE - YR 1 / PF - YR 2)

Certification:

BTEC Higher National Certificate in Performing Arts – (Dance) Level 6+ equivalence on the NFQ achieved after year 1

BTEC Higher National Diploma in Performing Arts – (Dance) Level 6+ equivalence on the NFQ achieved after year 2 (603/2375/9)

Head of Department:

Helen O'Mahony

Course Co-ordinators:

Eimear Byrne & Emma Hayward

Duration:

Two Years

PROFILE: Emily Kilkenny Roddy

I studied at BIFE from 2012 until May of 2015. I completed Foundation Level Dance and Advanced Dance years 1 and 2 with a distinction profile and then went on to complete my final Top-up year in Dance at the University of Chichester. I just graduated in October 2016 receiving a 1st class BA (hons) degree in Dance Studies and can reflect on the four years of training and confidently say they will be four of the best years of my life. Since finishing my final year in June I was accepted into Step Up: Dance Project 2016. After completing that I went on to create and perform an original solo which was performed at Electric Picnic 2016 on the Hazel Wood Stage. BIFE is the absolute backbone of my career's route.

The emphasis of the course is on performance in live theatre and teaching experience forms part of the course in 2nd year. In Choreography and Physical Theatre students explore their creative talents developing original concepts and ideas. Dance Research and Analysis gives the student an insight into the development of dance. In Contemporary Dance, Graham, Cunningham, Limon and Release techniques are explored this preparing them for auditions within top up years and later for industry. Classical Ballet and Jazz dance are also core components of the course and there is an emphasis on professional practice within the course. The Higher National Diploma provides a clear pathway following to a top up year at university in the UK leading to a B.A. (Hons) in Dance. Former students have gone on to the University of Bath Spa, Middlesex, Chichester, Chester, Sunderland, Liverpool Institute of Performing Arts (LIPA), Stella Mann College of Performing Arts, De Montfort, Edinburgh College, Doncaster and Winchester. BIFE is the only institute to offer the HND route to a degree in dance in Ireland both North and South.

Programme of Study

- Ballet
- Jazz
- Contemporary
- Devising Theatre and Performance
- Singing
- Choreography
- The Performing Arts Industry
- Professional Development
- Creative Research Project
- Working in the Performing Arts Industry
- Fitness Training for the Performing Arts

Components subject to change

- Leaving Certificate Applied Award
- Full FETAC Level 4 Award
- Mature Applicants – experience will be considered in lieu of formal qualifications

Places are offered following successful interview.

Career Opportunities

- Camera Operation
- Sound Operation
- Lighting
- Design
- Production
- Editing
- TV Studio Production
- Internet related video services

Higher Education Progression*

Examples of potential courses include:

- **BIFE:**
TV & Film (Moving Image) Higher National Diploma (MB)
- **DIT:**
Film and Broadcasting (DT504)
- **TU Dublin:**
Creative Digital Media (TU982)
Advertising & Marketing Communications (TA014)
- **UCD:**
Arts - Film Studies - DN520

Many past pupils work in production roles in companies such as RTE, Virgin Media, TG4 and the BBC, and also on productions such as Vikings, Game of Thrones and Into the Badlands.

Certification:

QQI Level 5 Award in Film and Television Production (5M18519)

Head of Department:

Noel MacAoidh

Course Co-ordinator:

Noel MacAoidh

Duration:

One Year

PROFILE: Blathnaid Treacy & Laura O'Connell

Two graduates from BIFE were nominated this year for an IFTA Award in the Children's/Youth Programme category. The two girls both attended Bray Institute of Further Education, where they studied TV and Film Production. Laura says that the course was great and well prepared her for the reality of the TV and film industry. Bláthnaid is now presenting on RTE's Two Tube and is on VIP's ones to watch list.

TV & FILM PRODUCTION - ADVANCED (MB-YR 1 / MT-YR 2) BTEC Higher National Diploma Award

This two year course develops advanced practical skills in all aspects of film and television production. Learners work to professional briefs to produce and direct films and documentary films. In conjunction with the "Performing Arts HND" learners will work with actors directing them in individual projects throughout both years of study. Learners will individually produce and direct a film, documentary film, promotion video and a television drama. Learners will have the opportunity to achieve an honours degree with one additional year of study.

Certification:

BTEC Higher National Diploma in Creative Media (Film) Level 6+ equivalence on the NFQ (603/2282/2)

Head of Department:

Noel MacAoidh

Course Co-ordinator:

Noel MacAoidh

Duration:

Two Years

PROFILE: Michael Donnelly

Michael studied for four years in BIFE. He produced the documentary Christy as his graduation film which won awards at Galway Film Fleadh, Cork Film Festival and Belfast Film Festival. Michael went onto more success with the short films Rockmount (IFTA Award for Best Short Drama 2015) and Heartbreak (IFTA Award for Best Short Drama 2017). Over the past decade he has produced many high profile music videos including Kodakline - All I Want (UK Music Video Award - Best Rock/Indie Video). His first feature film as a producer Dublin Oldschool was released nationwide in 2018 to rave reviews.

Programme of Study

Year One

- Film Studies
- Individual Project
- TV Studio Production
- Principles of Photography
- Creative Media Industry
- Film Practice
- Editing
- Professional Practice

Year Two

- Sound for Media
- Drama
- Documentary
- Advanced Film Production
- Script Writing
- Personal Professional Development
- Collaborative Project

Modules subject to change

Entry Requirements

One of the following:

- QQI Award in Creative Media (level 5)

BA in Film (Wolverhampton University)
One Year Top Up Degree

*Places are not guaranteed in these Institutes and are subject to students meeting certain criteria. Please consult the individual college websites for more information on application. Information available also at www.cao.ie

FILM FX (MC)

QQI Level 5 Award

This one year course in film special effects explores both physical and computer generated effects. Most modern films use a range of tools from simple green screen compositing to full 3D animated characters. During this practical course students will design and create 3D animated characters and integrate them into a short film. Students will also study physical effects using latex and makeup to create photorealistic zombies, scars and gunshot wounds. Students will complete the year with an impressive portfolio and a level 5 QQI certificate.

Programme of Study

- 3 Dimensional Computer Graphics
- Cinematography Camera Operations
- Communications
- Work Experience
- 3D Modelling & Animation
- Animation
- Digital Editing
- Specialised Make-up Effects

Entry Requirements

One of the following:

- Leaving Certificate (minimum of five 06/H7's or combination of five 06/H7's) or its equivalent. Extenuating circumstances may be considered
- Leaving Certificate Applied
- Full QQI Level 4 Award
- Mature Applicants - experience will be considered in lieu of qualifications

Places are offered following successful interview.

Career Opportunities

- VFX Industry
- 3D Modelling & Animation
- Compositing
- Editing
- Practical FX and Makeup

Higher Education Progression*

Examples of potential courses include:

- **DCU:**

Amadeus/Galileo GDS Training (IAOT)

HotelierHub Hotel Reservations (IAOT)

Head of Department:

Noel McAoidh

Course Co-ordinator:

Erinne Tyrrell

Duration:

One Year

PROFILE: Bethany Deans

I can honestly say that my year completing Tourism Reception & Event Management was both the most challenging and fulfilling I have encountered. I left school many years ago and although I have studied various subjects over the years, this was my first time back in formal education. All I can say is, the help I received from my fellow students was incredible. My tutors encouraged and guided me constantly, they believed I was capable even when I didn't. Whenever I had a problem with an assignment or in understanding something, they made time to help me. Reflecting on the college in its entirety, all the staff were incredible. They cared for the overall welfare of the students and supported them in every way. The staff at reception always had a welcome smile, they were extremely efficient and had infinite patience. The atmosphere of the college was brilliant. I loved to see such a mixture of ages from school leavers to mature students, and I think all benefitted from that. I felt I was in a unique place. I could go on about how good BIFE is but I'll stop there. I have returned to BIFE to continue my studies, this time on gaining more skills in the area of Office Administration.

*Places are not guaranteed in these Institutes and are subject to students meeting certain criteria. Please consult the individual college websites for more information on application. Information available also at www.cao.ie

TOUR GUIDING (LB)

QQI Level 6 Award

This course offers participants the opportunity to develop the professional, technical, social and administrative skills needed to deliver a high quality guiding and tour management service for tourists visiting and travelling in Ireland.

Tour guides plan and implement tour itineraries and escort groups in many contexts throughout Ireland. Guides require the ability to retain facts, figures and folklore and present the information to tourists in an entertaining and interesting way. Tour guiding is particularly suited to people who are outgoing and who enjoy interacting with others. Communicating, planning and organising are important skills to possess and fluency in a second language is a distinct advantage.

This course combines practical tour guiding skills with the theoretical knowledge to enable learners to provide guiding and tour management services for tourists. Learners will explore the historic, cultural and social aspects of the city and the region. They will learn how to provide a commentary and organise and manage a tour. Practical experience will be gained through a series of simulated guided tours. This course meets the criteria for the Failte Ireland Industry Qualified Tour Guide Directory. The Regional Tour Guide Badge is issued to successful students upon graduation.

Certification:

QQI Level 6 Special Purpose Award
(6S20232)

QQI Level 6 Certificate in Business
Tourism (6M5012) (Optional)

Head of Department:

Noel McAoidh

Course Co-ordinator:

Niamh McCall

Duration:

One Year

Programme of Study

- Irish Tour Guiding
- Irish Natural Heritage and Culture

Components subject to change

QQI Minor Award in Professional Cookery (5M2088)

Head of Department:

Noel MacAoidh

Course Co-ordinator:

Martin Potts

Duration:

One Year

PROFILE: Paul Breslin

Having left school and starting a career in professional cookery I found that I needed to gain qualifications to further my career in the industry. BIFE gave me the opportunity to combine my working life and college to gain the skills needed in the real world whilst continuing to work. I found the City and Guilds professional cookery course challenging but it has left me with a skill set that I can continue with in both further education and industry. After completing the Professional Cookery Advanced course at BIFE, I have progressed directly into the 3rd year of the BA in Culinary Arts course in IT Tallaght.

Programme of Study

- Prepare food for cold presentation
- Prepare, cook and finish stocks, soups and sauces
- Prepare, cook and finish fish and shell fish dishes
- Prepare, cook and finish meat, poultry and offal
- Prepare, cook and finish vegetables, fruit and pulses
- Prepare, cook and finish rice, grain, farinaceous products and egg dishes
- Prepare, cook and finish bakery products Prepare, cook and finish hot and cold deserts and puddings
- Catering operations, costs and menu planning
- Culinary Arts Principles
- Food safety in catering
- Safety at work
- Healthier foods and special diets

Components subject to change

Entry Requirements

One of the following:

- Leaving Certificate (minimum of five 06/H7's or combination of five 06/H7's) or its equivalent. Extenuating circumstances may be considered

Noel MacAoidh

Course Co-ordinator:

Martin Potts

Duration:

One Year

PROFILE:
**Sesilia
Adamia**

After completing the first year of the professional cookery at BIFE I returned to complete the 2nd year of the advanced diploma. I found the course to be both challenging and fulfilling and has enabled me to apply what I have learnt in my role in a professional kitchen immediately. I recommend any students wishing to progress in the field of professional cookery complete the 2 years at BIFE. After completing her 2nd year at BIFE, Sesilia gained advanced entry to the 3rd year of Culinary Arts in IT Tallaght.

*Places are not guaranteed in these Institutes and are subject to students meeting certain criteria. Please consult the individual college websites for more information on application. Information available also at www.cao.ie
